Nationalist Ferment:

Nationalist Ferment Marie-Jeanne Rossignol, 2021-01-29 This book was published in June 1994 by a French publisher and became the winner of the Organization of American Historians foreign language book prize The Nationalist Ferment contributes significantly to the renewal of early U S diplomatic history Since the 1980s a number of diplomatic historians have turned aside from traditional diplomatic issues and sources They have instead focused on gender ethnic relationships culture and the connections between foreign and domestic policy Rossignol argues that in the years 1789 1812 the new nation needed to assert its independence and autonomous character in the face of an unconvinced world After overcoming initial divisions caused by foreign policy Americans met this challenge by defining common foreign policy objectives and attitudes which both legitimized the United States abroad and reinforced national unity at home This book establishes the constant connections between domestic and international issues during the early national period **The Nationalist**

Nationalist Politics in Morocco Daniel Zisenwine, 2010-09-30 The end of World War II intensified Morocco s nationalist struggle against French colonial rule with the establishment of the Istiqlal independence party and the Moroccan Sultan s emergence as a national leader In this book Daniel Zisenwine charts the rise of Morocco s leading nationalist party and illustrates the weakness of Moroccan political parties at the outset of the anti colonial struggle While Morocco today faces formidable challenges its political system remains profoundly influenced by the events charted in this book Drawing from a wide range of previously unpublished sources Daniel Zisenwine presents the background to the Istiqlal s establishment its initial actions and demands and an extensive discussion of its social activities aimed at mobilizing the Moroccan public during the anti colonial struggle **The Long Game** Rush Doshi, 2021 In The Long Game Rush Doshi demonstrates that China is in fact playing a long methodical game to replace America as a global hegemon Drawing from a rich base of Chinese primary sources including decades worth of party documents and memoirs by party leaders he traces the basic evolution of Chinese strategy showing how it evolved in response to changes in US policy and the US s position in the world order

The Nationalist Ferment Marie-Jeanne Rossignol, 2003 *Set the World on Fire* Keisha N. Blain, 2018-01-18 In 1932 Mittie Maude Lena Gordon spoke to a crowd of black Chicagoans at the old Jack Johnson boxing ring rallying their support for emigration to West Africa In 1937 Celia Jane Allen traveled to Jim Crow Mississippi to organize rural black workers around black nationalist causes In the late 1940s from her home in Kingston Jamaica Amy Jacques Garvey launched an extensive letter writing campaign to defend the Greater Liberia Bill which would relocate 13 million black Americans to West

Africa Gordon Allen and Jacques Garvey as well as Maymie De Mena Ethel Collins Amy Ashwood and Ethel Waddell are part of an overlooked and understudied group of black women who take center stage in *Set the World on Fire* the first book to examine how black nationalist women engaged in national and global politics from the early twentieth century to the 1960s. Historians of the era generally portray the period between the Garvey movement of the 1920s and the Black Power movement of the 1960s as one of declining black nationalist activism but Keisha N Blain reframes the Great Depression World War II and the early Cold War as significant eras of black nationalist and particularly black nationalist women's ferment. In Chicago Harlem and the Mississippi Delta from Britain to Jamaica these women built alliances with people of color around the globe agitating for the rights and liberation of black people in the United States and across the African diaspora. As pragmatic activists they employed multiple protest strategies and tactics combined numerous religious and political ideologies and forged unlikely alliances in their struggles for freedom. Drawing on a variety of previously untapped sources including newspapers government records songs and poetry *Set the World on Fire* highlights the flexibility adaptability and experimentation of black women leaders who demanded equal recognition and participation in global civil society. **Jordan** Alan George, 2005-10-04 Drawing on extensive original interviews with a wide range of Jordanians including King Abdullah this is an up to date and insightful account of life and politics in a pivotal Middle Eastern state. **Implementation of the Final Act of the Conference on Security and Cooperation in Europe** United States. Congress. Commission on Security and Cooperation in Europe, 1982. *The Religion of American Greatness* Paul D. Miller, 2022-07-05 What is Christian nationalism and how is it different from patriotism? Political theorist veteran and former White House staffer Paul D Miller provides a detailed portrait of and case against Christian nationalism calling for Christians to seek a healthier political witness that respects our constitutional ideals and a biblical vision of justice. **Press Releases** United States Department of State, 1960
