Alcock,2009-03-05 An introduction to the daily life of the Celts living in Britain Ireland and Europe during the Iron Age and into the Roman period c 600 BC c AD 200 based on archaeological literary and linguistic evidence from vendor description **Contemporary Pagan and Native Faith Movements in Europe** Kathryn Rountree,2015-06-01 Pagan and Native Faith movements have sprung up across Europe in recent decades yet little has been published about them compared with their British and American counterparts Though all such movements valorize human relationships with nature and embrace polytheistic cosmologies practitioners beliefs practices goals and agendas are diverse Often side by side are groups trying to reconstruct ancient religions motivated by ethnonationalism especially in post Soviet societies and others attracted by imported traditions such as Wicca Druidry Goddess Spirituality and Core Shamanism Drawing on ethnographic cases contributors explore the interplay of neo nationalistic and neo colonialist impulses in contemporary Paganism showing how these impulses play out intersect collide and transform **The Modern Pagan** Brian Day,2011-05-31 Paganism means living in harmony with nature and respecting all that nature has to offer It is a sustainable way of life that has existed in the British Isles for thousands of years and that has survived secretly among scattered households throughout the UK Although it is not a religious path true pagans do not worship deities paganism will appeal to anyone who cares about the environment who is interested in maintaining an organic lifestyle or who believes in respecting their roots whilst catering for the future Paganism may be thousands of years old but it is particularly suited to meeting our twenty first century concerns In *The Modern Pagan* Brian Day explains how to live in a way that honours the land and its inhabitants There is advice on celebrating seasonal festivals on cultivating a true pagan garden on creating delicious food and drink from hedgerow fare on herbal medicine on the importance of pagan parenting and family values on living in harmony without prejudice and discrimination and much more The core principles of Modern Paganism will make sense to anyone who is tired of the hustle and bustle of our polluted lifestyles and who is looking for a way to live that is in balance with our fellow human beings and the natural world Myths and Symbols in Pagan Europe H. R. Ellis Davidson,1988-06-01 Most people know of Valhalla the World Tree and the gods of Norse mythology or the strange hunts and voyages of the ancient Irish tales Yet few people realise the significance of the similarities and contrasts between the religions of the pre Christian people of north western Europe The Celts and Germans and Scandinavians had much in common in their religious practices and beliefs and this is the first serious attempt that has been made to compare them There are striking resemblances in their ideas about battle goddesses and protective spirits holy places sacrificial rituals divination and ideas about the Other World and *Myths and Symbols in Pagan Europe* poses questions like do such parallels go back to early times or are they owing to late Viking contact Hilda Ellis Davidson has worked for many years on pre Christian Scandinavian and Germanic religion and now

compares them with the Celts from the background of previous studies using evidence from archaeology iconography later literature and folklore in a search for basic patterns which will add to our knowledge of the early peoples in Europe Aimed at teachers and libraries but also accessible to students of history religion and Celtic Norse and German languages and cultures
