National Union Catalog ,1979 Includes entries for maps and atlases *American Book Prices Current* ,1986 A record of literary properties sold at auction in the United States **Black Writers Interpret the Harlem Renaissance** Cary D. Wintz,2020-11-25 First Published in 1996 One of the most interesting features of the Harlem Renaissance was the degree to which black writers and poets were involved in promoting and analyzing their own literary movement One of its formative events was the 1926 attempt by Wallace Thurman Langston Hughes and other young writers to publish a literary magazine FIRE This was the first of several efforts by black writers to establish literary journals While these efforts failed the magazine Opportunity employed a series of black poets as columnists to analyze and review black literary efforts This volume collects the writings of this important literary journal as well as including many autobiographical and historical sketches *The Encyclopedia Americana* ,1927 **The Fires Beneath** Seán Morrow,2016-06-01 The life of Monica Wilson is a story of groundbreaking scholarship passionate creativity and personal tragedy during South Africa s bitter and divided twentieth century As a young anthropologist in the 1930s Monica immersed herself in the lives work and beliefs of African communities in southern and East Africa while carefully observing the effects of historical change At the core of her existence was her intellectual collaboration and intense personal relationship with her husband the brilliant but clinically depressive Godfrey Wilson who took his own life in 1944 After Godfrey s death Monica raised their two children and built a career as a leading academic at Fort Hare Rhodes University College and the University of Cape Town In a political environment where black academics were under constant threat and ideas were censored she outspokenly advocated racial equality and freedom of speech her publications emphasising a common South African identity and implicitly challenging apartheid separate development This fascinating biography moves between the Eastern Cape Cambridge Tanganyika Nyasaland Northern Rhodesia and Cape Town It explores the relationship between anthropology and history and the tensions between liberalism Christianity Marxism and apartheid ideology Drawing on the letters and diaries left by Monica and Godfrey Wilson this is a powerful story about politics race war faith love and loss *W.B. Yeats and World Literature* Dr Barry Sheils,2015-09-28 Arguing for a reconsideration of William Butler Yeats s work in the light of contemporary studies of world literature Barry Sheils shows how reading Yeats enables a fuller understanding of the relationship between the extensive map of world literary production and the intensities of poetic practice Yeats s appropriation of Japanese Noh theatre his promotion of translations of Rabindranath Tagore and Shri Purohit Swami and his repeated ventures into American culture signalled his commitment to moving beyond Europe for his literary reference points Sheils suggests that a reexamination of the transnational character of Yeats s work provides an opportunity to reflect critically on the cosmopolitan assumptions of world literature as well as on the politics of modernist translation Through a series of close and contextual readings the book demonstrates how continuing global debates around the crises of economic liberalism and democracy fanaticism asymmetric

violence and bioethics were reflected in the poet's formal and linguistic concerns Challenging orthodox readings of Yeats as a late romantic nationalist W B Yeats and World Literature The Subject of Poetry makes a compelling case for reading Yeats's work in the context of its global modernity **W. B. Yeats, 1865-1939** Joseph Maunsell Hone, 1989-10-27 This is a biographical account of Yeats's life detailing his early family life his schooldays his London years his rise to literary fame his relationships and marriage his Oxford period and his career in public life 2025-26 BPSC TRE 4.0 & 5.0 Class IX to X English & General Studies Solved Papers & Practice Book YCT Expert Team , 2025 26 BPSC TRE 4 0 5 0 Class IX to X English General Studies Solved Papers Practice Book 192 395 This book contains the Previous Year Solved Papers and Practice Book English Association Bulletin English Association, 1922 Bibliographies of English language and literature lists of new members of the association and lists of publications of the association are included T.P.'s and Cassell's Weekly , 1927
