Raising Hell David Weir, Dan Noyes, 1983-01-01 The Rise of NonProfit Investigative Journalism in the United States Bill Birnbauer, 2018-12-07 With a foreword from Michael Schudson The Rise of Nonprofit Investigative Journalism in the United States examines the rapid growth impact and sustainability of not for profit investigative reporting and its impact on US democracy and mainstream journalism The book addresses key questions about the sustainability of foundation funding the agendas of foundations and the ethical issues that arise from philanthropically funded journalism It provides a theoretical framework that enables readers to recognize connections and relationships that the nonprofit accountability journalism sector has with the economic political and mainstream media fields in the United States As battered news media struggled to survive the financial crisis of 2007 2009 dozens of investigative and public service reporting startups funded by foundations billionaires and everyday citizens were launched to scrutinize local state and national issues Foundations donors and many journalists believed there was a crisis for investigative journalism and democracy in the United States This book challenges this and argues that legacy editors acted to quarantine their investigative teams from newsroom cuts It also demonstrates how nonprofit journalism transformed aspects of journalistic practice Through detailed research and practical discussion it provides a comprehensive study of this increasingly important genre of journalism The Rise of Nonprofit Investigative Journalism in the United States is an important text for academics and students of journalism communications theory media and democracy related units as well as journalists worldwide **American Muckraker** James O'Keefe, 2022-01-25 ON POWER They do have tremendous power But in part it is because we give it to them We are nothing but we are not alone Awe cannot live in fear The moment you stop caring about what the media establishment thinks of you is the moment you become truly free ON INSIDERS The USPS whistleblower a Marine Corps combat veteran said I would rather be back in Afghanistan getting shot at by Afghans honest to God than be interrogated by federal agent Russell Strasser who coerced him by saying I am trying to twist you a little bit because your mind will kick in I am not scaring you but I am scaring you ON PRIVACY The right to record is closely tied to the right to speak or even to take contemporaneous notes about what one sees and hears As 60 Minutes producer Don Hewitt quipped People committing malfeasance don't have any right to privacy What are we saying that Upton Sinclair shouldn't have smuggled his pencil in ON MEANS it is only that which makes you feel better than you would otherwise ON LITIGATION Polling does not decide the truth nor speak to evidence The New York Times have not met their burden to prove that Veritas is deceptive claiming protections from an upstart competitor armed with a cell phone and a website There is a substantial basis in law to proceed to permit Project Veritas to conduct discovery into The New York Times Project Veritas v New York Times Company New York Supreme Court March 18 2021
