Raising Them Chaste:

Raising Them Chaste Richard C. Durfield, Renee Durfield, 1991 Raising Them Chaste offers parents a practical strategy for supporting young people in a commitment to remain chaste until marriage After underscoring society's pressures on young people to be promiscuous the book tells how one family developed the idea of a key talk between parent and child to allow the parent to clarify the child's understanding of sexuality and the value of virginity **Authentic Human Sexuality** Judith K. Balswick, Jack O. Balswick, 2008-06-10 Jack and Judith Balswick investigate how human sexuality originates both biologically and socially lay groundwork for a normative Christian interpretation of sexuality show how authentic sexuality is necessarily grounded in relationships and explore forms of inauthentic sexuality such as sexual harassment pornography and rape **Betrothed** G-S Ifeanyi Achebe, 2011-06-10 This book inter alia tries to encourage young people to first know themselves and each other and save sex for marriage because sexual intimacy during the first date blurs vision and leads to warped reasoning The author believes the traditional betrothal process of the Igbo tribe helps prevent incest and helps the woman save her virginity self esteem and dignity **Getting it Right** General Conference of Seventh-Day Adventists, Youth Dept Staff, General Conference of Seventh-Day Adventists. Youth Department, 2005 **True Sexual Morality** Daniel R. Heimbach, 2004-11-09 Daniel Heimbach examines the biblical teachings on sexual morality as well as four counterfeit views that have crept into our sexually revolutionized society He gives us an in depth look at the moral relativism that has spread through our culture and opens our eyes to the effects that nonbiblical sexual choices have on individuals the family the church and the culture *The Christian Educator's Handbook on Family Life Education* Kenneth O. Phillips,1997-04-01 This unique approach to dating courtship and marriage based on Christian values offers young people a practical plan for finding the right life partner Christian authors Michael and Judy Phillips are veterans of a forty six year marriage and counting In this book they share practical advice for young people who want a partnership that will last a lifetime Drawing on their pioneering work in home schooling as well as their work with young people Michael and Judy present bold surprising sometimes even controversial alternatives to dating as the means for choosing spouses Best Friends for Life develops revolutionary ideas about parental involvement about dating as it is usually understood and about the pressures young people face to make lifetime decisions prematurely Families who want to choose God s best will find here a strong prescription for wise sensible and lasting Christian marriages *The Works and Correspondence Of...Edmund Burke*
