# Raising A Responsible Child

**Eudeen Mott, Edeth Hamm**

## **Raising A Reponsible Child:**

Raising a Responsible Child: Elizabeth Ellis,1996-01-01 It has often been said Give a man a fish and he has food for a day Teach him to fish and he can provide for himself over a lifetime Raising a Responsible Child explains the phenomenon of the overindulgent parent who helps and protects too much and the underdeveloped child who never really learns to stand on his or her own feet Today many parents are especially prone to shower their children with love and attention and attempt to minimize stress by doing for them In the scurry of modern life parents often can t resist giving in to children s demands or solving their problems just to keep the peace While this is basically a loving approach it does not teach children how to be responsible and independent Parents learn the hard way that their overindulgence does more harm than good their children will only come to them with more demands and act helpless in the face of new problems If you find yourself entrenched in this pattern you can change by using a system of consistent straight forward and logical rules every day You can teach your children to take responsibility for their actions and earn their privileges and you will find perhaps to your surprise that they are willing and ready to do so Some of the issues this book will help you to deal with are The whiny and overly demanding preschooler The small child who throws tantrums in public to get his way The older child who is inconsiderate of family members The teenager who is constantly late for school The young adult who can t get her life together and mooches off her parents indefinitely Many parents discover that the tried and true methods detailed here not only help their children handle emotions in a more mature and constructive manner but also result in higher self esteem and a happier outlook on life

**Raising a Responsible Child** Don C. Dinkmeyer,Gary D. McKay,Don Dinkmeyer,1996-12-05 This updated edition of the Systematic Training for Effective Parenting STEP Program includes added information on current issues such as step parenting the new nuclear family AIDS and dealing with learning disabilities Raising a Responsible Child: Practical Steps to Successful Family Relationships Don C. Dinkmeyer,Gary D. McKay,1973 All parents would agree that adequate preparation for life requires a sense of responsibility Few know how to foster responsibility however Commonly it is felt that one must teach responsibility Punishment rewards and bribes are the tools of the teaching process These methods are generally unsuccessful as a parent cannot teach responsibility he must give it to the child and let him learn how to handle it As children learn to accept responsibility they begin to enjoy being responsible The gain confidence and feel worthwhile Back cover **Guide to Raising a Responsible Child** Denice M Whitfield,2021-02-21 Responsibility is something that must be learned by all children You are helping her reach her full potential by helping your child develop responsibility Responsibility includes making decisions being trusted and learning to take credit whether good or bad for one s actions Being responsible can help your child feel important and like she is contributing to both the family and the community Modelling her behavior is one of the best ways to teach your child about responsibility Look out for friends and neighbours volunteer and be dependable in your community This book is written by an experienced author mother and all the tools you need to build the

responsibility in your kids are clearly explained in this book      **Secrets of Discipline** Ronald G. Morrish,1998 Morrish believes it is time to turn our backs on popular discipline He recommends an end to negotiating with children and a return to a model of child rearing where parents and teachers make the decisions      **Raising a Responsible Child** Don Dr Dinkmeyer,1973      *The Nurturing Parent* John S. Dacey,1992 For parents who have struggled between permissiveness and authoritarianism educators Dacey and Packer offer a parenting style that really works The Nurturing Parent shows parents of children from the age of five through adolescence how to foster positive values and cultivate personality traits that help children make sound sensitive decisions      **Raising Responsible Children** Joseph Fricker,2021-05-15 Teaching a child responsibility can help him grow into a sensible dependable adult who s always accountable for himself and his actions We all want to raise responsible children And we all want to live in a world where others have been raised to be responsible a world where adults don t shrug off their responsibilities as citizens How we can do that Discover this book now This book tells you what you need to do how you can handle teenager problems how you can improve communication in sexual matters and gain the trust of your teens This in depth analysis and solution providing approach has helped many parents to cope up with teenager problems If you are raising stepchildren children with disabilities and off road teens you will find this book an asset as a guide on how you can cope up with these situations Buy this book now      *Silver Spoon Kids* Eileen Gallo,Jon Gallo,2002-01-25 A parent s guide to raising financially responsible children in an age of unprecedented wealth It is natural as parents that we want to give our children the best of everything And in an age of unprecedented wealth and easy credit upper and middle income parents can indulge that urge like never before Yet you have become alarmed over the impact this newfound affluence may be having on your children You fear that through your generosity you are training your children to be greedy selfish spendthrifts The first parenting guide to focus exclusively on this increasingly sensitive topic Silver Spoon Kids was coauthored by a psychotherapist who counsels people with money related emotional problems and a lawyer specializing in estate planning Drawing upon their experiences as members of the renowned NYU Family Wealth Institute they tell you how to talk to kids about money how to teach them to handle it responsibly and how to instill in your kids a sense of giving to their communities      **Parenting 101** Eudeen Mott,Edeth Hamm,2006-09-01 Do you have a problem saying NO to your child This book gives you valuable tips on childrearing It s the old way of successfully using strength and consistency
