Raising Great Kids Henry Cloud, John Townsend, 2009-09-01. What does it take to raise great kids? If you've read any books on parenting, conflicting opinions have probably left you feeling confused. Get tough. Show acceptance. Lay down the rules. Lighten up already. There's got to be a balance, and there is. Joining their expertise with the wisdom of MOPS International Mothers of Preschoolers, Drs. Henry Cloud and John Townsend help you provide both the care and acceptance that make grace real to your child and the firmness and discipline that give direction. Avoiding the twin extremes of permissiveness and over control, Drs. Cloud and Townsend show how you can help your child cultivate six necessary character traits: attachment, responsibility, reality, competence, morality, and worship. At last, here is an effective middle ground for raising up children who will handle life with maturity and wisdom. *Raising Great Kids* will help you equip your son or daughter to accept life's responsibilities, grow from its challenges, and freely and fully explore all that it has to offer. *Boundaries with Kids*
