[Trauma Proof](#) Benjamin Perks, 2025-04-22 Lucid clear visionary Bessel van der Kolk author of *The Body Keeps The Score* An expert s inspiring deeply personal account of how childhood trauma can be overcome From the moment they re born babies seek a loving parental attachment When that connection is absent it derails childhood development in ways that can last a lifetime The annual health costs of illness related to child trauma for North America and Europe alone are 1.3 trillion dollars Child trauma is much more widespread than previously thought and passes from one generation to the next But that s not the end of the story there is overwhelming evidence that this intergenerational transmission can be disrupted So why isn t the eradication of childhood trauma a tier one public priority like defense or growth In *Trauma Proof* Benjamin Perks argues that it must be and that we can tackle it as a public health problem like COVID 19 by 1 Making sure everyone is aware of the risk 2 Preventing transmission and 3 Opening pathways to healing Perks shows we have the tools to make these three things happen and the evidence to show they work The fields of psychology neuroscience and medicine have made huge leaps in the past 25 years We now know what causes Adverse Childhood Experiences ACEs how to reduce them and how to address them For the first time in history we know child mistreatment is not inevitable Combining expert interviews and intensive reportage from Jamaica to Scotland from Brooklyn to Birmingham Perks shows the steps we can take to stem the epidemic of childhood trauma He also shares

his personal story of growing up in violent group homes fathering a child at fifteen and finding his way in his thirties to healing Trauma Proof is a rallying call to address child trauma as the public health crisis it is because we can do better for kids and we should Youth Culture and Violence United States.
