raised Ramona as part of the family giving her every luxury but only because Ramona's foster mother had requested it as her dying wish. Because of Ramona's mixed Native American heritage, Moreno does not love her. That love is reserved for her only child, Felipe Moreno, whom she adores. So, Senora Moreno considers herself a Mexican although California has recently been taken over by the United States. She hates the Americans who have cut up her huge rancho after disputing her claim to it. So, Senora Moreno delays the sheep shearing, a major event on the rancho, awaiting the arrival of a group of Native Americans from Temecula whom she always hires for that work. She is also awaiting a priest, Father Salvierderra, from Santa Barbara. She arranges for the priest so that the Native American workers can worship and make confession in her chapel rather than leaving the rancho. Ramona falls in love with Alessandro, a young Native American shepherd and the son of Pablo Assis, the chief of the tribe. So, Senora Moreno is outraged because although Ramona is half Native American, the Senora does not want her to marry a Native American. Ramona realizes that Senora Moreno has never loved her and she and Alessandro elope. Alessandro and Ramona have a daughter and travel around Southern California trying to find a place to settle. In the aftermath of the war, Alessandro's tribe was driven off their land, marking the beginning of European American settlement in California. They endure misery and hardship for the Americans who buy their land also demand their houses and their farm tools. Greedy Americans drive them off from several homesteads and they cannot find a permanent community that is not threatened by encroachment of United States settlers. They finally move up into the San Bernardino Mountains. Alessandro slowly loses his mind due to the constant humiliation. He loves Ramona fiercely and regrets having taken her away from relative comfort in return for bootless wandering. Their daughter, Eyes of the Sky, dies because a white doctor would not go to their homestead to treat her. They have another daughter named Ramona, but Alessandro still suffers. Helen Maria Hunt Jackson, born Helen Fiske, October 15, 1830–August 12, 1885, was an American poet and writer who became an activist on behalf of improved treatment of Native Americans by the U.S. government. She described the adverse effects of government actions in her history *A Century of Dishonor* (1881). Her novel *Ramona* (1884) dramatized the federal government's mistreatment of Native Americans in Southern California after the Mexican American War and attracted considerable attention to her cause.

Ramona Helen Hunt Jackson, 1976-01-01 The Great American Love Story center Ramona blushed as the handsome young Indian Alessandro looked upon her with favor. A great star-crossed love was born. But the adopted daughter of Senora Moreno was defying the custom of her people. Her forbidden love would drive her from place to place with Alessandro until tragedy would strike and Ramona would at last come to an understanding of herself. This extraordinarily popular novel of the Mission Indians of Southern California has entertained a vast world-wide readership. Now this new edition brings it to still another generation who will thrill to Ramona's inspiring story.
