O'Brien, 2011-05-24 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and misleading In his book *A Landscape with Dragons* Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to *A Landscape with Dragons* is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children's culture O'Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children's book or film made you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through high school *Severely Embellished Tales* Caul Grimes Goodall, 2025-04-18 Then I'll huff and I'll puff and I'll blow your house in After decades of exhaustive research and countless interviews I have discovered many intriguing facts and salient details about the three little pigs Firstly they had names Moses Lawrence and Jerome The most interesting version of their story takes place across the pond in Merry Old England during medieval times They grew up in a small hamlet nestled in the dark forest of Ewing a foreboding woods inhabited by creatures both natural and unnatural Their grade school teacher was a stern but kindly goat Miss Ida Van Hoofnagle They attended the local church shepherded by a devoted priest Fr John a St Bernard dog who had been sent by the abbot of a monastery from the East The pigs had a grandporker or a grandmother April by name who was without question the most influential person in the shaping of their lives And then of course there was the wolf the consummate villain in the tale It is my sincere hope that you will enjoy this severely embellished version of *The Three Little Pigs* **Prophecy** Tianna Xander, 2009-01-15 Niklas Voortag High King of Terna lives his life for his people His own needs are unimportant Driven by the words of an ancient prophecy he searches far and wide for the woman who can save his world Now that he's found her can she also save his heart Kidnapped from her world and everything she knows Brianna O'Neill finds that she is The One bound to save an entire world A trip through space an acquaintance with a faery and an ancient sorcerer was never at the top of her list Now she must come to terms with the fact
