Rappaccinis Children American Writers In A Calvinist World:

Rappaccini's Children William H. Shurr, 2021-12-14 Nathaniel Hawthorne's short story Rappaccini's Daughter tells of a beautiful girl who has from birth absorbed the poison from the flowers of her father's garden In this allegorical tale of the fallen Garden of Eden William H Shurr finds a metaphor for the fate of many American writers for whom the heritage of Calvinism has been the poisoned fruit of the Garden of the New World For many American writers the legacy of the Puritan Fathers has been a pervasive sense of sinfulness and guilt in a violent and unforgiving universe In this new study Shurr examines how these writers have coped with this heritage

Calvinist Humor in American Literature Michael Dunne, 2007-12-01 Though the phrase Calvinist humor may seem to be an oxymoron Michael Dunne in highly original and unflinching readings of major American fiction writers uncovers and traces two recurrent strands of Calvinist humor descending from Puritan times far into the twentieth century Calvinist doctrine views mankind as fallen apt to engage in any number of imperfect behaviors Calvinist humor Dunne explains consists in the perception of this imperfection When we perceive that only others are imperfect we participate in the form of Calvinist humor preferred by William Bradford and Nathanael West When we perceive that others are imperfect as we all are we participate in the form preferred by Mark Twain and William Faulkner for example Either by noting their characters inferiority or by observing ways in which we are all far from perfect Dunne observes American writers have found much to laugh about and many occasions for Calvinist humor The two strains of Calvinist humor are alike in making the faults of others more important than their virtues They differ in terms of what we might think of as the writer perceiver's disposition his or her willingness to recognize the same faults in him or herself In addition to Bradford West Twain and Faulkner Dunne discovers Calvinist humor in the works of Flannery O'Connor Herman Melville Nathaniel Hawthorne Ernest Hemingway and many others For these authors the world and thus their fiction is populated with flawed creatures Even after belief in orthodox Calvinism diminished in the twentieth century Dunne discovers American writers continued to mine these veins irrespective of the authors religious affiliations or lack of them Dunne notes that even when these writers fail to accept the Calvinist view wholeheartedly they still have a tendency to see some version of Calvinism as more attractive than an optimistic idealistic view of life With an eye for the telling detail and a wry humor of his own Dunne clearly demonstrates that the fundamental Calvinist assumption that human beings are fallen from some putatively better state has had a surprising lingering presence in American literature

The Protestant Ethic and the Spirit of Sport Steven J. Overman, 2011 Steven Overman explores the concordant values of the Protestant ethic capitalism and sport by applying German scholar Max Weber's seminal thesis Weber demonstrated a relationship between the Protestant ethic and a form of economic behavior he labeled the calling of capitalism

The Calvinist Roots of the Modern Era Alike Barnstone, Michael Tomasek Manson, Carol J. Singley, 1997 This collection of essays traces Calvinism's presence in twentieth century literature and demonstrates its impact as psychological construct

cultural institution and socio political model *Ravished by Beauty* Belden C. Lane, 2011-04-21 In this novel exploration of Reformed spirituality Belden C Lane uncovers a green theology that celebrates a community of jubilant creatures of all languages and species Lane reveals an ecologically sensitive Calvin who spoke of himself as ravished by the earth's beauty He speaks of Puritans who fostered a lusty spirituality in which Christ figured as a lover who encouraged meditation on the wonders of creation He presents a Jonathan Edwards who urged a sensuous enjoyment of God's beauty as the only real way of knowing God Lane argues for the double irony of Reformed spirituality showing that Calvinists who often seem prudish and proper are in fact a people of passionate desire Similarly Reformed Christians who appear totally focused on divine transcendence turn out at times to be closet nature mystics exulting in God's glory everywhere Lane also demonstrates however that a spirituality of desire can be derailed ending in sexual excess and pantheism Ecologically holy longing can be redirected from a contemplation of God's splendor in the earth's beauty to a craving for land itself resulting in disastrous misuse of its resources Between the major chapters of the book are engaging personal essays drawn from the author's own love of nature as a Reformed Christian and providing a thoughtful discussion of contemporary issues of species diversity and the honoring of an earth community *American Declarations Of Love* Ann Massa, 1989-12-11 *American Studies* Jack Salzman, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 **In Hawthorne's Shadow** Samuel Chase Coale, 2021-10-21 The world is so sad and solemn wrote Nathaniel Hawthorne that things meant in jest are liable by an overwhelming influence to become dreadful earnest gaily dressed fantasies turning to ghostly and black clad images of themselves From the radical dualism of Hawthorne's vision Samuel Coale argues springs a continuing tradition in the American novel In *Hawthorne's Shadow* is the first critical study to describe precisely the formal shape of Hawthorne's psychological romance and to explore his themes and images in relation to such contemporary writers as John Cheever Norman Mailer Joan Didion John Gardner Joyce Carol Oates William Styron and John Updike When viewed from this perspective certain writers particularly Cheever Mailer Oates and Gardner appear in a new and very different light leading to a considerable reevaluation of their achievement and their place in American fiction Mr Coale's long interviews and conversations with John Cheever John Gardner William Styron and others have provided insights and perspectives that make

this book particularly valuable to students of contemporary American literature Coale links contemporary writers to an on going American romantic tradition represented by such earlier authors as Melville Harold Frederic Faulkner Flannery O Connor and Carson McCullers He explores the distinctly Manichean matter of much American romance linking it to America's Puritan past and to the almost schizophrenic dynamics of American culture in general Finally he reexamines the post modernist writers in light of Hawthorne's shadow and shows that however similar they may be in some ways they differ remarkably from the previous American romantic tradition

Inscrutable Malice Jonathan A. Cook, 2012-12-15 In *Inscrutable Malice* Jonathan A Cook expertly illuminates Melville's abiding preoccupation with the problem of evil and the dominant role of the Bible in shaping his best known novel Drawing on recent research in the fields of biblical studies the history of religion and comparative mythology Cook provides a new interpretation of *Moby Dick* that places Melville's creative adaptation of the Bible at the center of the work Cook identifies two ongoing concerns in the narrative in relation to their key biblical sources the attempt to reconcile the goodness of God with the existence of evil as dramatized in the book of Job and the discourse of the Christian end times involving the final destruction of evil as found in the apocalyptic books and eschatological passages of the Old and New Testaments With his detailed reading of *Moby Dick* in relation to its most important source text Cook greatly expands the reader's understanding of the moral religious and mythical dimensions of the novel Both accessible and erudite *Inscrutable Malice* will appeal to scholars students and enthusiasts of Melville's classic whaling narrative

Mark Twain Gary Scott Smith, 2021-07-22 Mark Twain's literary works have intrigued and inspired readers from the late 1860s to the present His varied experiences as a journeyman printer river boat pilot prospector journalist novelist humorist businessman and world traveller combined with his incredible imagination and astonishing creativity enabled him to devise some of American literature's most memorable characters and engaging stories Twain had a complicated relationship with Christianity He strove to understand critique and sometimes promote various theological ideas and insights His religious perspective was often inconsistent and even contradictory While many scholars have overlooked Twain's strong interest in religious matters others disagree sharply about his religious views with many labelling him a secularist an agnostic or an atheist In this compelling biography Gary Scott Smith shows that throughout his life Twain was an entertainer satirist novelist and reformer but also functioned as a preacher prophet and social philosopher Twain tackled universal themes with penetrating insight and wit including the character of God human nature sin providence corruption greed hypocrisy poverty racism and imperialism Moreover his life provides a window into the principal trends and developments in American religion from 1865 to 1910
