Rapture Pre Mid Or Post Tribulation

Roy W. Anderberg

Rapture Pre Mid Or Post Tribulation:

Three Views on the Rapture Gleason Leonard Archer, 1996 This book explores three views on the Rapture Pre Mid and Post Tribulation *Post Trib rapture vs Pre Trib rapture* Harris Kakoulides , In this book the weakness of the pre tribulation rapture view is shown in abc order and shows why the post tribulation rapture view is the most accurate and Biblical view on the rapture **The Rapture: A Pre- or Post-Tribulation Event?** Colleen Wandmacher, 2017-03-17 God tells us not to be deceived about the timing of our being caught up to meet Jesus in the air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent scriptures in God s Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us This book helps the reader to deeply study the Word of God to see the truth Chapter after chapter leads to the same conclusion the rapture will be a post tribulation event *Post Tribulation Rapture* Roy W. Abernethy, 2008-04 Every person on Earth will one day stand before God and give an account of what they have done whether it be good or evil in addition to their acceptance or rejection of Jesus Christ the Son of God as their personal Saviour Whether or not you believe it Jesus Christ is coming back again to judge the world for their iniquity That s what God s prophets have said and His prophets have never been wrong From a pre millennial viewpoint Post Tribulation Rapture evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man s history Will there be signs of Christ s coming Will everyone see Him coming Does Christ return two more times What is the Day of the Lord Who are the elect people on Earth When will the Antichrist be revealed Is the return of Christ imminent Who will populate the kingdom What are the three main rapture positions How do they differ Who is the restrainer Post Tribulation Rapture includes fourteen detailed charts and an extensive glossary dictionary defining the most commonly used phrases and terms in Bible prophecy Types and Shadows Judith Lawson Dmin, PhD, 2022-01-31 The Ridiculousness of the Rapture The rapture which will occur when Jesus comes back for His Church is about the most outrageous and ridiculous teaching in the Bible But if God says it will happen you can be sure that it will There have been many discussions in Christian circles about when this will happen but the fact remains no one knows We are not told exactly when this will occur but we are given signs to know when we are in the right season The Lord is going to snatch us out of here before the devil knows what happened Make no mistake about it Jesus IS coming back He will come in the clouds for His bride the believing Christians to meet her in the air 1 Thessalonians 4:16-18 16 For the Lord himself shall descend from heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first 17 Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord 18 Wherefore comfort one another with these words Pre Mid or Post Tribulation When will the Rapture Take Place The tribulation is the catastrophic period prophesied in the Bible that encompasses a future seven year period

when God will complete His final judgment upon unbelieving world citizens The rapture is what delivers believers from the wrath to come that is from the tribulation 1 Thessalonians 1 10 10 And to wait for his Son from heaven whom he raised from the dead even Jesus which delivered us from the wrath to come Some say this will occur before the tribulation some say three and a half years after the tribulation begins and some say it will happen at the end Believers today must be ever watchful and hopeful looking for the return of the Lord Jesus Christ Unfortunately there may be those professing to be Christians but really are not who have never repented continue to be unfaithful and will be left behind at the rapture But where is the rapture in Scripture In our journey through the Bible we see types and pictures of Jesus everywhere Every single passage of Scripture points to Jesus Christ To understand the New Testament you need to know the Old because what is concealed in the Old Testament is revealed in the New Solomon uniquely tells us something interesting with the following words Ecclesiastes 1 9 9 That which has been is what will be That which is done is what will be done And there is nothing new under the sun This passage is a memo of sorts from the mind of God to the readers of His Word that He repeats things in history If it is recorded in His Word we can expect the same type of thing to occur sometime again in the process of redemptive history So can we assume that if the rapture is an accepted valid doctrine there could be types and pictures of it in other parts of the Bible telling us of things to come Then the question is if something is pictured in the Old Testament is it also seen in the New And can we determine by those types and shadows whether there will be a pre mid or post tribulation rapture The answer to all these questions is yes There are many accounts throughout the Holy Bible all of which point to a pre tribulation rapture

Three Views on the Rapture Gleason Leonard Archer, 1996 Scripturally speaking the Rapture seems in regard to its timing to be more closely linked to the Tribulation than to any other event Since it will occur at the parousia of Christ second coming the question really becomes whether Christ will come back before during or after the Tribulation It is with this in mind that the authors of Three Views on the Rapture joined together to offer their explanations for the three major timeframes for the Rapture as it is related to the Tribulation All three authors are members of the Evangelical Free Church of America and all three teach at the denomination's seminary Trinity Evangelical Divinity School As they state in the preface All three of us are wholeheartedly devoted to upholding the clear truths of Scripture but we do not believe that the relative time of the Rapture is one of these clear truths Thus the radically divergent views offered in this book The format of this book is very fair and quite open Each author states their respective position and the others are given opportunity to respond Thus the reader is presented with a much broader picture of each position than a simple statement of the position might give All three authors are premillennialists they believe that the parousia of Christ will inaugurate the millennium but the divergence in their views shows in a good way that premillennialists are not all homogenous in their beliefs Richard Reiter begins the book with a short history of the development of each position regarding the timing of the Rapture Paul D Feinberg then offers his arguments for a pretribulation rapture Gleason L Archer presents us with the arguments for a midtribulation rapture

often called mid week in reference to the seventy weeks spoken of in the book of Daniel and Douglas J Moo gives us the arguments for a posttribulation rapture Each is able to show respect for the others arguments without compromising their own And if that was all Three Views on the Rapture offered a true spirit of respectful ecumenism it would be worth purchasing But it offers so much more because the combination of three voices on each position gives a much clearer and more cogent view which aids greatly in understanding Publisher *40 Questions About the End Times* Eckhard J.

Schnabel,2012-01-12 This contribution to the 40 Questions series continues the tradition of excellent research presented in accessible language and clear writing Designed for both students and general readers this resource helps them make sense of one of the Bible s most difficult topics Eckhard Schnabel a professor at a leading seminary and the author of several major works looks at the future of the world the church and Israel the return of Jesus and the millennium and the final judgment He answers questions related to the rapture the 144 000 the identity of the two witnesses Armageddon how to interpret Revelation heaven and hell and so forth The result is an even handed treatment that avoids sensationalism and a newspaper headline approach to prophecy that is interpreting prophecy according to current events Rather Schnabel carefully studies the biblical text in light of its first century context and draws biblically based conclusions **Can We Still Believe in the**

Rapture? Mark Hitchcock,Ed Hindson,2018-01-02 Christian Fiction or Biblical Fact Today the hope that all believers on earth will be caught up to heaven is being challenged in new waves of criticism Is the rapture really taught in the Bible Can we really expect Jesus to gather up His followers before the Antichrist is revealed In this well reasoned and thorough defense prophecy authors Mark Hitchcock and Ed Hindson examine the concept context and consequences of the important and long expected event known as the rapture Discover the answers to such questions as What is the rapture and is there any historical precedent for it Why do some believers object to the idea of a rapture Does the timing of the rapture really make a difference As you explore what Scripture says about the end times you ll get a grander glimpse of your glorious future and the deepest hope of every follower of Jesus *Revelation Exegetical Commentary - 2 volume set* Robert L.

Thomas,2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a

range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursuses on important topics of theological and historical interest *End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World* Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we ve survived John Hagee s Four Blood Moons Jonathan Cahn s Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist s next false claim centers around the 70 year anniversary of Israel s founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5
