Rapture Effect:

The Rapture Effect Jeffrey A. Carver, 2015-01-10 War between the stars It was started and fought by an AI Few humans even knew there was a war at all But now people are dying and the AI wants it to stop But a war is easier to start than to stop and the computer can't alter its course without outside help When the Gnostic Control System searches for co-conspirators it chooses its friends carefully Pali a brooding public relations director Ramo a flamboyant sensu dancer and sculptor who prefers a musical jamdam to serious conversation Sage an awkward systems designer for whom the AI rapture field is realer than life And three of the alien Ell Harybdartt who would rather die with dignity than betray his people Lingrhetta who tries to unravel the meaning of human dance and music pain and love and Moramaharta the binder who must persuade his fellow decision makers to risk everything for the sake of a fragile bridge of understanding across the stars A thought provoking novel from the award winning author of Eternity's End and The Chaos Chronicles and recipient of the Frank Herbert Lifetime Achievement Award for science fiction writing **REVIEWS** The story is meaty and satisfying I enjoyed this one greatly **Analog Science Fiction** An absorbing suspenseful novel of first contact and interstellar war It's a complex book requiring concentration from the reader and is well worth the effort **Aboriginal SF** A lively dance of ideas first contact interstellar war artificial intelligence alien culture and it moves at a rapid pace from Earth through cyberspace to the Horsehead Nebula and various points between It's well worth the trip ticket **Roger Zelazny** Originally published by Tor Books [The End](#) **Ken Hathcoat**, 2015-03-22 People are fascinated with Revelation and end times Unfortunately Revelation studies and Bible prophecy books still remain a puzzle for many Christians Most end time books are either unnecessarily confusing or overly simplistic in their conclusions The End is a study of Revelation that presents a clear concise and thorough biblical analysis of the major end time events without simplistic explanations or wordy seminarian language The End is more than a commentary on Revelation and end time prophecies It offers fresh insights and applications on these subjects for your daily life **The Rapture Effect** **Thomas Paul**, 2012-11 The Rapture Effect is an out of body experience that occurs when the Creator causes the soul to leave the body of a human being After leaving the body the soul is beamed up to Christ the King who is magnificently exalted in the sky above Planet Earth When the soul reaches its destination it is metabolized into a resurrected or glorified body This new body is perfect in every way and far superior to the mortal body that was left behind This miraculous event is reserved for the Elect who were chosen by the Creator before the creation of the world Are you among the chosen Elect The author invites you to come on a whirlwind journey into the future to envision what will happen after The Rapture Effect on the Elect Publisher's website <http://sbpra.com> **Thomas Paul** *A Wake Up Call* **Louwrens Erasmus**, 2011-10-01 A Wake Up Call asks a lot of questions After surviving cancer twice author Louwrens Erasmus was determined to find answers For fifteen years he studied the Bible and searched for answers only to end up with more questions Is there a heaven Do we know all the entry requirements to be completely sure of the fact that we will enter into

Crowe,2009-03-01 The recent housing bust has reignited interest in psychological theories of speculative excess Shiller 2007 I investigate this issue by identifying a segment of the U S population evangelical protestants that may be less prone to speculative motives and uncover a significant negative relationship between their population share and house price volatility Evangelicals focus on Biblical prophecy could account for this difference since it may enable them to interpret otherwise negative events as containing positive news dampening the response of house prices to shocks I provide evidence for this channel using a popular internet measure of prophetic activity and a 9 11 event study I also analyze survey data covering religious beliefs and asset holding and find that end times beliefs are associated with a one third decline in net worth consistent with these beliefs providing a form of psychic insurance Scheve and Stasavage 2006a and 2006b that reduces asset demand Banished Don Goodman,2007-08 Transplanted Canadian Doug Loggins is the new principal at Palm Oasis High School in a small desert community located in California s Colorado Desert A local tribe the Napoc Band of Whitewater Indians flaunting state law open a gaming Casino Doug must deal with ancient squabbles local politics and disputes about the meaning of sovereignty in
