We've tamed too much of our world too much of our mind too much of our soul Doug Thorpe helps us understand what Thoreau really meant when he said that in wildness is the preservation of the world Bill McKibben author of *The End of Nature* Doug Thorpe has thought deeply as he has trekked deeply into the terra incognita where lies the intersection of the phenomenal and the supposed pre phenomenal understanding that language itself is the surest tool whereby the pilgrim might discover those traces joining what is visible and what is not a disposition more likely than most for apprehending revelation Scott Cairns author of *Short Trip to the Edge Where Earth Meets Heaven A Pilgrimage Throughout Rapture of the Deep* Doug Thorpe pursues and is pursued by one question What will we do with the wild truth Thorpe's quest narrative is further enhanced by the authentic and insightful way in which he interweaves the writers he loves including Dante and Wordsworth Jung Pullman and LeGuin I feel personally grateful as a reader writer teacher and householder for this illuminating book John Elder *Rapture of the Deep* Rebecca S. In the middle of the night the doorbell rings and Jennifer Johnson is pulled from a deep sleep Outside her front door stand two police officers messengers bearing tragic news Joe Jen's recently estranged husband is missing the victim of a scuba diving accident Joe Puck Johnson is a master carpenter He is quiet thoughtful and passionately loves his deeply scarred wife Their separation unwanted painful and immersed in unfinished business is now punctuated by this unfathomable loss Tom Hyden is a high profile banker He has the perfect home the perfect wife the perfect child the perfect everything yet beneath the surface of his well manicured life Tom carries a dark and shameful secret Born and raised in the small Iowa town of Lake Pulaski these two men cannot remember a time before their friendship It is a bond most recently sealed by their mutual love of scuba diving Beneath the waves diving provides a peaceful respite However on the surface their worlds are reeling and the peace they so desire is being torn asunder Both men find their families disintegrating and their lives twisting apart the result of events they cannot talk about even with each other So Tom and Joe are lost and they must now take a journey that for one will lead to tragedy and the other redemption **Rapture of the Deep** Alan Gill,2011-07-21
