Rapture Planning Larry G. Lillback, 1980-01-01 **Christ's Prophetic Plans** Richard Mayhue, John MacArthur, 2012-02-21 General editors and experienced bible scholars John MacArthur and Richard Mayhue help to provide a clear and convincing Biblical explanation for the interpretive approach to Scripture that results in a knowable futuristic view of Christ s millennial reign on earth Christ s Prophetic Plans also helps provide the certain validity of God s promises to future Israel and the crucial differences between Israel as a people and a nation and the New Testament church *The Road To Hell* Dwayne Mattingly, 2022-12-15 Many people today are wanting to know Are we living in the end times What will happen before the antichrist comes into power Will America be a key player in the end times In this book I start the first chapter with what I believe will soon be coming the chip being implanted in humans I realize the mark of the beast will not be given until the antichrist comes into power Many believe it will be the chip I discuss in chapter 2 why I believe it will not be the chip Our currency as we know it today will give way to a one world currency and I discuss this in two chapters The New World Order has been discussed for many years and I want to understand where it started and where it stands now The last two chapters deal with a real hell and a real heaven Though we do not know everything about either of these we know enough that we will make an eternal choice to spend forever in one or the other How and what you do the rest of your life will determine your eternal destination I genuinely believe this book will help you understand the end times and eternity We all are on the road to hell but know heaven is only one step away God's Man Plan Mike Taylor, 2022-07-06 Today the

chatter among evangelical teachers and preachers concerning the end of time seems almost deafening at times Books videos feature films magazine and newspaper articles you name it they all have something to say regarding the end times And please hear my heart I m not disagreeing with them at all I totally agree that we are today living in prophetic times However it seems to me that no one wants to address the question that appears to be on the minds of so many people That question When will these things come to pass Hey the disciples asked Jesus the same question in Matthew 24 right Well that s precisely what this book attempts to do I want to answer that question as best as it can possibly be answered and while I won t be able to give you the exact day or the exact hour of the coming events if I m correct and I really think that I am in what I share within this book I m totally convinced that I can get you in the proverbial ballpark so to speak And I will do so biblically in other words by using only what the Bible gives us If you ll commit to reading this simple little book for many if not most people I can all but guarantee you that you will exit with a much better understanding of the chronology of God s Word You will read and perhaps for the first time ever be able to comprehend the Gospel or good news of Jesus Christ plus you ll come to appreciate just how little time may actually remain before the end time events that everyone is talking about begins to unfold across the face of the whole earth In other words you will be able to better understand God s man plan and thereby you will be better able to prepare for what lies ahead for all mankind God's Plan Dan Malczewski,2010-08-17 A

compilation of Christian Apologetics gathered from various authors over the years that is designed to bring brand new Christians up to speed quickly and to strengthen the faith for all Christians This book also introduces a model of Gods Plan for mankind It contains answers to almost all of the arguments leveled against Christianity from science falsely so called Furthermore this book provides an historical discussion of Christian prophecy from a Dispensational perspective Did you know that genetic anthropologists have traced back our DNA to single parents or that most of the miracles of the Old Testament probably occurred naturally such as the parting of the Red Sea or that approximately 1 600 Bible Codes have been discovered around a single Old Testament chapter or that it is highly probable that no human beings drowned in the Flood or that Mount Sinai is not in the Sinai Peninsula but in Saudi Arabia and is heavily guarded or that the speed of light may have been millions of times faster at the Creation than it is now All of these questions and many more are answered in this book

God's Plan for the Ages, 2nd Edition David Reagan,2020-08-02 What is the destiny of planet earth What is going to be the fate of mankind We don t have to guess The Bible spells out God s plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God s plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal to you *A Panoramic Study of*

God'S Plan Slayden MacGregor, 2017-03-21 God has a story And just like you and me in order for us to be known we have to tell our story So wouldn't you think God who wants to be known would tell us His story Pastor Slayden MacGregor provides one of the most concise yet comprehensive studies of God's plan I've seen This incredible little book is designed to be read in only a couple sittings yet used as a paradigm for Bible study for a lifetime To comprehend the material in this book is to receive a seminary understanding of the plan and purposes of God These pages answer the toughest questions of theology origins pain and suffering good and evil and man's freedom of choice in God's sovereign plan In it you'll view the whole Bible from an eternal vantage point obtaining a context for all human and angelic history Slayden MacGregor has developed and used the material in this book to teach and train pastors in many different countries for over twenty years and now these truths are condensed in a profound story like study This simple and clear teaching will engage you on a whole new level of understanding of your role in the epic battle that wages in the spirit realm Hold on tight and learn more about God Satan and yourself than you've ever thought imaginable No fluff here James P Gills MD Surgeon author philanthropist past president and owner of the World Triathlon Corp Ironman Rapture's Rendezvous Cassie Edwards, 1999-01-12 When Maria leaves Italy on a ship to America she has no idea she is about to meet the only man she will ever love Michael is enraged by Nathan Hawkins' unjust treatment of immigrant coal miners and is aboard the same ship to uncover information to end Hawkins' reign of terror But when destiny brings Michael and Maria together neither can foresee that Maria would be Hawkins' next pawn

Palestine-Israel A Just Plan for Permanent Peace Jamshid Farshidi, 2009-05-16 Introduction The basic obligations of a state towards its nation s are to provide Justice control of powers of organizations or individuals peace advancement of understanding including science and economy Freedom although essential is secondary and a consequence of justice and control of powers Since its creation in 1948 Israel under Zionism Jewish Nationalism by reliance on international power s has become a state of abuse of powers inherited from world powers a place of anti humanity acts against the humane formal principles that it was founded on and a prophet of transfer forced migration of the nations who helped its people to be transferred in the region In short an inconsistency in the consistent humanity that arose from that region There is a new enlightenment in the world however due to post era realities of the events end of the cold war fall of the Soviet Union Christian revolution in Poland Islamic revolution in Iran uprisings in Islamic world such as Intifada uprising of Palestinians and rise of Al Qaeda defeat of Israel by Hezbollah in Lebanon and re evaluation of South American and African countries of their political and economical situations on one hand and catastrophes of war in Iraq and the military assault on Gaza Strip on the other hand Based on this enlightenment the people of the world adhere to i Demand for maintaining the holy land land of prophets as a sacred region for all three great religions of Judaism Christianity and Islam that have deep historical roots in the region by reliance on their practical objectives which are peace and justice for mankind and not on their subjective theological Ideas due to interpretations which may be wrong or unacceptable to the majority of the faithful for unification of

humanity to promote peace and humanity justice around the world dominated by these three religions on one hand and to prevent disastrous events such as crusade wars or dominance by world powers such as Roman Empire on the other hand ii Remove the threat to the world peace and the strategy of human transfer in the Middle East created by the dominant secular Zionist Ideology that exploits Judaism and Christianity under the unfounded theology of Dispensationalism of John Nelson Darby devised before 1917 in Great Britain and presumed to be a basis for the Balfour declaration in 1917 iii Speak in a unified religious basis that the problem of Palestinian and Israelis can not be solved by ignoring the atrocities of Israeli government towards people of Palestine by killing them purposefully as a result of strategy of transfer looking at them inhumanely and using the historic anti humanity tactics of the king Herod around 18 BCE who killed and enslaved even Jews for the abuse of Roman Empire against them and instead obligate it to choose the humane tactics of Moses And on the spectrum of power require the United States as a Christian Country to choose between Roman Empire Ideas and the Jesus Ideas of humanity in its foreign policies The rights of Palestinians in all aspects should be realized as justice suggests and not as the power imposes It is time for the people of the world to re negotiate the establishment of Israel on the basis of the principles promised to the nations of the world in 1947 and 1948 In this re negotiation the major goal must be the creation of a political system in the present state of Israel that guarantees independence of nations equal rights of all nations peace and humanity justice between the nations and ends the suffering of people of Palestine by abusive power of Zionists This book based on the beliefs of its author in a humane and just way to resolve the conflict in the Middle East suggests a bi national Federal system for a state consisting of nations of Palestinians Moslem or Christians and Jews under provision
