Rapture Truth Or Consequences

William Powell Tuck

Rapture Truth Or Consequences:

The Rapture Hal Lindsey, 1983-07-01 Before Armageddon before the Second Coming there will be the Rapture As the world's attention turns to a battle beginning in Israel prophecies foretell that living men and women will suddenly vanish as the Bible says into the clouds to meet the Lord in the air What is the impact of this extraordinary promise upon Christians in America Jews in Israel and people everywhere Why has anti-Semitism plagued the Jewish people throughout history and why is it such a critical issue for Christians today **The End** Mark Hitchcock, 2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ *The Truth Behind Left Behind* Mark Hitchcock, Thomas Ice, 2004 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind's biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event The popular Left Behind books are works of fiction But how seriously can you take their predictions about the end of the world and your own future In this reader friendly resource two respected theologians respond to recent attacks on Left Behind's interpretation of Bible prophecy providing clear historical and biblical support for specific end times events described in the novels Gain a deeper appreciation of these phenomenal bestsellers and a deeper understanding of earth's cataclysmic final days *Story Behind the Book* With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series From the Trade Paperback edition **Vortex** Harold Reynolds, 2019-05-14 Through the main character of Itso the author of Vortex Death Is Swallowed Up in Victory Harold G Reynolds does indeed ask a most

compelling question Will it indeed take a nuclear World War III and its aftermath to allow for the construction of a third Jewish temple and the thousand year millennium to begin **The End Of Earth** Philip N. Moore,2024-11-01 In this eye opening exploration discover how Moses ancient prophecies on Israel the coming of Jesus and the End Times have striking connections to modern day events Delve into how these timeless predictions align with the unexpected rise of Donald Trump Nostradamus cryptic visions and the eerie legacy of the Kennedy curse With meticulous research this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved Prepare to be astonished as you uncover the undeniable threads that tie together history s greatest mysteries with prophetic foresight Is it coincidence or is there a higher plan at work **The Left Behind Fantasy** William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense
