Rare Prologues And Epilogues 1642 1700

Dale B.J. Randall

Rare Prologues And Epilogues 1642 1700:

Rare Prologues and Epilogues, 1642-1700 Autrey N. Wiley,1970 **Rare Prologues and Epilogues, 1642-1700**
Autrey Nell Wiley,1970-01-01 *Rare Prologues and Epilogues, 1642-1700* Autrey Nell Wiley,1940 **Prologues and
Epilogues of Restoration Theater** Diana Solomon,2013-04-11 Often perceived as merely formulaic or historical documents
dramatic prologues and epilogues players comic poetic bids for the audience s good opinion became essential parts of
Restoration theater appearing in over 90 percent of performed and printed plays between 1660 and 1714 Their popularity
coincided with the rise of the English actress and Prologues and Epilogues of Restoration Theater unites these elements in
the first book length study on the subject It finds that these paratexts provided the first sanctioned space for actresses in
Britain to voice ideas in public communicate directly with other women and perform comedy arguably the most powerful type
of speech and one that enabled interrogation of misogynist social practices This book provides a taxonomy of prologues and
epilogues with a corresponding appendix and demonstrates through case studies of Anne Bracegirdle and Anne Oldfield how
the study of prologues and epilogues enriches Restoration theater scholarship Published by University of Delaware Press
Distributed worldwide by Rutgers University Press [The Prologues and Epilogues of the Restoration 1660-1700](#) Pierre
Danchin,1981 **History of English Drama, 1660-1900** Nicoll,Allardyce Nicoll,2009 Allardyce Nicoll s History of English
Drama 1660 1900 was an immense scholarly achievement and the work of one man Nicoll s History which tells the story of
English drama from the reopening of the theatres at the time of the Restoration right through to the end of the Victorian
period was viewed by Notes and Queries 1952 as a great work of exploration a detailed guide to the untrodden acres of our
dramatic history hitherto largely ignored as barren and devoid of interest The History is reissued in seven paperback
volumes available separately and as a set In volumes 1 5 Nicoll describes the conditions of the stage actors and managers as
well as dramatic genres The sixth and seventh volumes offer a comprehensive list of all the plays known to have been
produced or printed in England between 1660 and 1930 with their authors and alternative titles it has thus independent
value as well as providing an index to the earlier volumes **Winter Fruit** Dale B.J. Randall,2014-10-17 Probably the most
blighted period in the history of English drama was the time of the Civil Wars Commonwealth and Protectorate With the
theaters closed the country at war the throne in fatal decline and the powers of Parliament and Cromwell growing greater
the received wisdom has been that drama in England largely withered and died Not so demonstrates Dale Randall in this
magisterial study the first book in nearly sixty years to attempt a comprehensive analysis of mid seventeenth century English
drama Throughout the official hiatus in playing he shows dramas continued to be composed translated transmuted published
bought read and even covertly acted Furthermore the tendency of drama to become interestingly topical and political grew
more pronounced In illuminating one of the least understood periods in English literary history Randall s study not only
encompasses a large amount of dramatic and historical material but also takes into account much of the scholarship

published in recent decades Winter Fruit is a major interpretive work in literary and social history **Annual Bibliography of English Language and Literature**, **Treading the bawds** Gilli Bush-Bailey, 2013-07-19 Drawing on feminist cultural materialist theories and historiographies Treading the bawds analyses the collaboration between actresses Elizabeth Barry and Anne Bracegirdle and women playwrights such as Aphra Behn and Mary Pix and traces a line of influence from the time of the first theatres royal to the rebellion that resulted in the creation of a player's cooperative Bush Bailey offers a fresh approach to the history of women seeing their neglected plays in the context of performance By combining detailed analysis of selected plays within the broader context of a playhouse managed by its leading actresses Bush Bailey challenges the received historical and literary canons including a radical solution to the mysterious identity of the anonymous playwright Ariadne It is a story of female collaboration and influence with the spotlight focused on the very public world of women in the commercial business of theatre **Novel horizons** Gerd Bayer, 2016-07-15 Novel horizons analyses how narrative prose fiction developed during the English Restoration It argues that after 1660 generic changes within dramatic texts occasioned an intense debate within prologues and introductions This discussion about the poetics of a genre was echoed in the paratextual material of prose fictions In the absence of an official poetics that defined prose fiction paratexts fulfilled this function and informed readers about the budding genre This study traces the piecemeal development of these boundaries and describes the generic competence of readers through the analysis of paratexts and prose fictions Novel horizons covers the surviving textual material widely focusing on narrative prose fictions published between 1660 and 1710 In addition to tracing the paratextual poetics of Restoration fiction this book also covers the state of the art of fiction writing during the period discussing character development narrative point of view and questions of fictionality and realism

Reviewing **Rare Prologues And Epilogues 1642 1700**: Unlocking the Spellbinding Force of Linguistics
