A Mystery of Ancient Japan

Rashomon Gate A Mystery Of Ancient Japan

Charles Wei-hsun Fu, Steven Heine

Rashomon Gate A Mystery Of Ancient Japan:

Rashomon Gate Ingrid J. Parker, 2002-07-31 Award winning writer Parker brings ancient Japan to life in a tale of blackmail and murder among high ranking nobles 10 illustrations **Rashomon Effects** Blair Davis, Robert Anderson, Jan Walls, 2015-11-06 Akira Kurosawa is widely known as the director who opened up Japanese film to Western audiences and following his death in 1998 a process of reflection has begun about his life's work as a whole and its legacy to cinema Kurosawa's 1950 film *Rashomon* has become one of the best known Japanese films ever made and continues to be discussed and imitated more than 60 years after its first screening This book examines the cultural and aesthetic impacts of Akira Kurosawa's *Rashomon* as well as the director's larger legacies to cinema its global audiences and beyond It demonstrates that these legacies are manifold not only cinematic and artistic but also cultural and cognitive The book moves from an examination of one filmmaker and his immediate social context in Japan and goes on to explore how an artist's ideas might transcend their cultural origins to ultimately provide global influences Discussing how *Rashomon*'s effects began to multiply with the film being re imagined and repurposed in numerous media forms in the decades that followed its initial release the book also shows that the film and its ideas have been applied to a wider range of social and cultural phenomena in a variety of institutional contexts It addresses issues beyond the realm of *Rashomon* within film studies extending to the *Rashomon* effect which itself has become a widely recognized English term referring to the significantly different interpretations of different eyewitnesses to the same dramatic event As the first book on *Rashomon* since Donald Richie's 1987 anthology it will be invaluable to students and scholars of film studies film history Japanese cinema and communication studies It will also resonate more broadly with those interested in Japanese culture and society anthropology and philosophy **Rashomon Gate** Ingrid J. Parker, 2003-07 In 11th century Japan young nobleman Akitada Sugawara welcomes the chance to work undercover to help his old professor at the Imperial University He is also asked to investigate the odd disappearance of the grandfather of one of his students that seems to lead to a conspiracy among high ranking nobles *Beyond Cadfael* Lucy C. Barnhouse, Winston Black, 2023-06-01 Medievalism and medieval medicine are vibrant subfields of medieval studies enjoying sustained scholarly attention and popularity among undergraduates Popular perceptions of medieval medicine however remain understudied This book aims to fill that lacuna by providing a multifaceted study of medical medievalism defined as modern representations of medieval medicine intended for popular audiences The volume takes as its starting point the fictional medieval detective Brother Cadfael whose observations on bodies herbs and death have shaped many popular conceptions of medieval medicine in the Anglophone world The ten contributing authors move beyond Cadfael by exploring global medical medievalisms in a range of genres and cultural contexts *Beyond Cadfael* is organized into three sections the first of which engages with how disease injury and the sick are imagined in fictitious medieval worlds The second on doctors at work looks at medieval medical practice in novels films and television and public commemorative practice These essays

examine how practitioners are represented and imagined in medieval and pseudo medieval worlds The third section discusses medicine designed for and practiced by women in the Middle Ages and today with a focus on East Asian medical traditions These essays are guided by the recognition that medieval medical practices are often in dialogue with contemporary medical practices that fall outside the norms of Western biomedicine *Ancient Japanese Fairy Tales* Y. T. Ozaki, Reed RK., 2016-02-24 Y T Ozaki was an early 20th century translator of Japanese short stories and fairy tales Her translations were fairly liberal but have been popular and were reprinted several times after her death Ozaki came from an unusual background She was the daughter of Baron Ozaki one of the first Japanese men to study in the West and Bathia Catherine Morrison daughter of William Morrison one of their teachers Her parents separated after five years of marriage and her mother retained custody of their three daughters until they became teenagers At that time Yei was sent to live in Japan with her father which she enjoyed Later she refused an arranged marriage left her father s house and became a teacher and secretary to earn money Over the years she traveled back and forth between Japan and Europe as her employment and family duties took her and lived in places as diverse as Italy and the drafty upper floor of a Buddhist temple

Bowker's Guide to Characters in Fiction 2007 ,2008-02 *Rene Girard, Law, Literature, and Cinema* Eric M. Wilson, 2024-04-05 This book is the first monograph to critically evaluate the work of the literary scholar Ren Girard from the perspectives of Law and Literature and Law and Film Studies two of the most multidisciplinary branches of critical legal theory The central thesis is that Girard s theory of the scapegoat mechanism provides a wholly new and original means of re conceptualizing the nature of judicial modernity which is the belief that modern Law constitutes an internally coherent and exclusively secular form of rationality The book argues that it is the archaic scapegoat mechanism the reconciliation of the community through the direction of unified violence against a single victim that actually works best in explaining all of the outstanding issues of Law and Literature in both of its sub forms law as literature the analysis of legal language and practice exemplified by literacy texts and law in literature the exploration of issues in legal theory through the fictitious form of the novel The book will provide readers with i a useful introduction to the most important elements of the work of Ren Girard ii a greater awareness of the hidden nature of legal culture and reasoning within a post secular age and iii a new understanding of the subversive or enlightening nature of some of the most iconic works on Law in both Literature and Cinema media which by their nature allow for the expression of truths repressed by formal legal discourse *Japan in Traditional and Postmodern Perspectives* Charles Wei-hsun Fu, Steven Heine, 1995-07-01 In this book each of the chapters offers an analysis of the origins and development of an important aspect of Japanese culture including religion Pure Land Buddhism and Zen Shinto and folk religions Confucianism and Tokugawa era ideology philosophy classical Buddhism and the contemporary Kyoto School literature and the arts medieval poetry and drama modern fiction and films and social behavior family system feminism nationalism and economic growth The central underlying theme is the uniqueness and creativity of Japan as seen

from twentieth century perspectives One of the fascinating things about Japanese culture is that on the one hand it seems to have held onto its traditional foundations with a greater sense of determination and celebration than most societies and at the same time it appears to have attained a position at the forefront of international modernist and postmodernist developments The authors explore several approaches to this issue One school of thought is influenced by recent Japanese writers and intellectual historians such as Mishima Tanizaki Watsuji and Nakamura Another approach is influenced by Western poststructuralist commentators such as Barthes Derrida and Lyotard A third approach is to argue against the thesis known as nihonjinron Japanism or cultural exceptionalism by suggesting that the notion of Japanese uniqueness is itself a cultural myth generated by nationalist and particularist trends originating in the Tokugawa era The volume features an essay by Kenzaburo Oe winner of the Nobel Prize for Literature entitled Japan the Dubious and Myself

The Accidental Reef and Other Ecological Odysseys in the Great Lakes Lynne Heasley, 2021-08-01 2022 NAUTILUS SILVER WINNER FOR LYRIC PROSE In *The Accidental Reef and Other Ecological Odysseys in the Great Lakes* Lynne Heasley illuminates an underwater world that despite a ferocious industrial history remains wondrous and worthy of care From its first scene in a benighted Great Lakes river where lake sturgeon thrash and spawn this powerful book takes readers on journeys through the Great Lakes alongside fish and fishers scuba divers and scientists toxic pollutants and threatened communities oil pipelines and invasive species Indigenous peoples and federal agencies With dazzling illustrations from Glenn Wolff the book helps us know the Great Lakes in new ways and grapple with the legacies and alternative futures that come from their abundance of natural wealth Suffused with curiosity empathy and wit *The Accidental Reef* will not fail to astonish and inspire

[Blood on the Stage, 1950-1975](#) Amnon Kabatchnik, 2011-04-14 Discussing more than 120 full length plays this volume provides an overview of the most important and memorable theatrical works of crime and detection produced between 1950 and 1975
