Critical Approaches to Women and Gender in Higher Education Pamela L. Eddy,Kelly Ward,Tehmina Khwaja,2017-01-12 This volume provides a critical examination of the status of women and gender in higher education today Despite the increasing numbers of women in higher education gendered structures continue to hinder women's advancement in academia This book goes beyond the numbers to examine the issues facing those members of academia with non dominant gender identities The authors analyze higher education structures from a range of perspectives and offer recommendations at individual and institutional levels to encourage activism and advance equality in academia **Forging the Male Spirit** W. Merle Longwood,William C. Schipper,Philip Culbertson,Gar Kellom,2011-12-08 Young men undergo significant changes

during their years in college They wrestle with big questions which are essentially spiritual questions as they ponder who they are what they believe what kind of persons they want to become and how they might shape the world into something they can feel comfortable being themselves in Those who participate in men s groups realize that their involvement can nurture their inner lives as they explore these questions and connect to transcendent values and a vision of a larger whole This book includes historical and sociological perspectives on men and spirituality and an expanded case study of how one campus pioneered in the development of men s spirituality groups which became a model for other campuses It includes quantitative empirical research that explores college men s openness to spirituality and their interest in men s groups The book s most extensive discussion is based on a qualitative analysis of thirty six interviews with male college students focusing on their understanding of the relationship between their masculinity and their spirituality and how spirituality groups provided a venue in which they could begin to engage what it means to be spiritual and what it means to be a man

Modern Applications to Group Work Kevin A. Fall, Justin E. Levitov, 2001 The effectiveness of group counselling as a treatment modality has been well established And while additional theoretical work will always be needed perhaps the greater challenge for contemporary group practitioners lies in crafting theoretically sound applications of group theory so that group methods can be used more effectively to benefit clients struggling with various psychological and developmental problems This book responds to this need by offering fourteen chapters of creative useful examples of how group methods can be successfully applied to a wide range of problems and populations Each chapter written by innovators from the fields of counselling social work psychology and psychiatry focuses on specific mental health problems or issues that will interest a wide population A careful analysis of each psychological or development problem greets the reader followed by a discussion of the theoretical basis for the interventions Each chapter utilises practical recommendations outlines of procedures and liberal use of case examples to illuminate important process points Each broad category Adults Children and Adolescents and Training and Theory includes interesting chapter topics such as Group counselling with late deafened adults Marital

restoration groups Therapist s uses of self in group psychotherapy and Group play therapy with abused children The elegant combination of theory and practice offers the reader a range of easily implemented methods and techniques applied to each specified problem Modern Applications to Group Work is a valuable companion text for any group oriented course Undergraduate and graduate courses in group can use the text to illustrate the application of general group principles to specific psychological concerns Modern Applications to Group Work may be used as the primary text for advanced courses in group counselling psychology and social work programs Practitioners will be attracted to the book due to the comprehensive scope and the strong theoretical basis of each chapter that is followed by pragmatic treatment strategies

Raising Boys without Men Dr. Peggy Drexler, Linden Gross, 2005-08-20 Nominated for a Books for a Better Life Award in Parenting Backed by peer reviewed research this hotly debated bestseller San Francisco Chronicle continues to open eyes with its finding that raising thriving emotionally healthy sons does not require a man in the house As the number of single mom and two mom households has grown so have concerns about the possible damage caused by the lack of a stable male role model in the house Determined to find the truth research psychologist Peggy Drexler embarked on a long term study comparing boys raised in nontraditional families with those whose fathers were present throughout their childhood The results were startling Female headed households can provide even better parenting for boys than households with men Sons from female headed families can grow up emotionally stronger and more well rounded than boys from traditional mother father families more in touch with their feelings yet masculine in all the ways defined by our culture

Mother Outlaws Andrea O'Reilly, 2004-05-13 Feminist scholars of motherhood distinguish between mothering and motherhood and argue that the latter is a patriarchal institution that is oppressive to women Few scholars however have considered how mothering as a female defined and centred experience may be a site of empowerment for women This collection is the first to do so Mother Outlaws examines how mothers imagine and implement theories and practices of mothering that are empowering to women Central to this inquiry is the recognition that mothers and children benefit when the mother lives her life and practices mothering from a position of agency authority authenticity and autonomy
