Howard-Hassmann, 1987-11-06 This collection of essays on the current human rights climate in 19 countries includes Canada Chile China Cuba Israel Poland the USA and USSR and represents a variety of regimes cultural traditions and geographical areas For analysis of the facts this volume excels A well crafted introduction describes current debate about human rights theory and practice traces the development of human rights instruments and discusses problems of implementation Strongly recommended Library Journal The bulk of the scholarly literature on human rights deals with international law and politics In contrast this volume offers nineteen case studies of national human rights practices Although international factors cannot be ignored most human rights violations are perpetrated by states against their own citizens the principal causes of the respect for and violation of human rights lie in national social and political structures      **Journey of a Retired Supreme Court Justice** Abraham F. Sarmiento, 2008      *Human Rights in Asia*

Thomas W.D. Davis, Brian Galligan, 2011-01-01 Does the increasing prominence of Asia also mark a new era for human rights in the region This timely book uncovers the political drivers behind both recent regional and country based changes to the recognition promotion and protection of rights *Human Rights in Asia* focuses on the relationships between political regimes institutions and cultures and external actors such as international organisations NGOs and business The contributing authors provide important discussions on Burma Cambodia China India Indonesia Malaysia Singapore Thailand and the Philippines Thematic chapters then go on to frame these individually focused contributions by examining the international pressure to normalise rights regimes and the relationship between Islam and rights in the region Providing a unique combination of country specific and thematic analysis this book will be a fascinating and beneficial read for postgraduate and undergraduate students in human rights and international relations as well as scholars in politics human rights international relations and government and NGO analysts      *Philippine Politics* Lynn White III, 2014-12-17 Philippine political history especially in the twentieth century challenges the image of democratic evolution as serving the people and does so in ways that reveal

inadequately explored aspects of many democracies In the first decades of the twenty first century the Philippines has nonetheless shown gradual socioeconomic progress This book provides an interpretive overview of Philippine politics and takes full account of the importance of patriotic Philippine factors in making decisions about future political policies It analyses whether regional and local politics have more importance than national politics in the Philippines Discussing cultural traditions of patronism it also examines how clan feuds localize the state and create strong local policies These conflicts in turn make regional and family run polities collectively stronger than the central state institution The book goes on to explore elections in the Philippines and in particular the ways in which politicians win democratic elections the institutionalized role of public money in this process and the role that media plays Offering a new interpretive overview of Philippine progress over many decades the author notes recent economic and political changes during the current century while also trying to advance ideas that might prove useful to Filipinos Presenting an in depth analysis of the problems and possibilities of politics and society in the Philippines the book will be of interest to those researching Southeast Asian Politics Political History and Asian Society and Culture      **Militant Labor in the Philippines** Lois A. West,1997 Using extensive interviews and first hand observations West traces the KMU s rise and eventual fragmentation in a time of economic and political crisis      Social Movements in Development Staffan Lindberg,Arni Sverrisson,2016-07-27 Nationalist movements in the South have been superseded by a plethora of different social movements This book examines these new movements and considers emerging paradigms of organization and mobilization which are related to the role movements play in economic and political development The book analyzes a number of cases and their context and discusses the implications for social movement theory The focus is on social movements among underprivileged and middle class groups and the book is global in scope      Dictators and their Secret Police Sheena Chestnut Greitens,2016-08-16 This book explores the secret police organizations of East Asian dictators their origins operations and effects on ordinary citizens lives      Extravagant Camp Chris A. Eng,2025-02-04 Illuminates an Asian American genealogy of queer camp performances that irreverently restages key scenes of historical violence the camps      **The Philippines** ,1990      Sultanistic Regimes Houchang E. Chehabi,Juan J. Linz,1998-06-05 Authoritarian governments are often based on raw power sustained by fear of punishment and hope of reward This text identifies common characteristics of such regimes comparing them to totalitarian and authoritarian forms of government and tracing common patterns for their genesis and demise      Fourth World Conflicts Janusz Bugajski,2019-03-07 This study consists of a comprehensive examination of Communist policies toward rural populations and indigenous societies in a cross section of developing Third World states It explores the universal threads and national adaptations of Communist or Marxist Leninist theory and praxis      **The Philippines Reader** Daniel B. Schirmer,Stephen Roskamm Shalom,1987 The Philippines Reader illuminates the history of the continuing struggle of the Philippines people for true independence and social justice Daniel Schirmer and Stephen Shalom have put together a single volume readings

and documents providing essential background from the turn of the century U S war of conquest to the new administration of Corazon Aquino Analytical articles from varying authors explore among other topics the nature of the U S colonial regime the role of the church conflicts with national minorities the situation of labor peasants and women and U S policy as well as prospects for the future Documentary selections in this Philippines Reader come from such diverse sources as the CIA and the State Department U S Presidents McKinley and Reagan Philippine leaders Aguinaldo and Aquino Philippine nationalist and left organizations such as the Anti Base Coalition Bayan Kaakbay and the New People s Army and U S opponents of foreign intervention The editors introduce explain and tie together over eighty readings making this the most complete introduction available on events in the Philippines

**Marcos Against the Church** Robert Youngblood, 2019-05-15 The election of Ferdinand Marcos to the presidency of the Republic of the Philippines coincided with the conclusion of the work of Vatican II in 1965 and Marcos s dictatorial policies would inevitably clash with the Vatican s call for the clergy to advocate greater social justice for the poor In this authoritative account of the role of the Catholic Church in the recent history of the Philippines Robert L Youngblood traces the political engagement of the Church over the twenty years between Marcos s election and his ouster from power in 1986 Drawing upon extensive research Youngblood explains how although church and state professed to share the goal of improving the welfare of the poor Marcos s economic development policies and oppressive rule created church opposition which helped accelerate the collapse of his regime Youngblood considers the evolution of church programs from social action projects such as the organization of cooperatives and credit unions to the development of social justice programs that emphasized the creation of more democratic and caring communities He examines the dynamics by which the leaders of the Philippine Roman Catholic and Protestant churches moved from a brief period of goodwill toward the Marcos dictatorship to considerable opposition by the late 1970s as church sponsored work among the poor was increasingly viewed by the regime as subversive Youngblood shows that after the assassination of Benigno Aquino Jr in 1983 the deterioration of the standard of living of average Filipinos along with Marcos s repressive policies toward the churches and other abuses in the name of national security were factors which impelled powerful church figures to actively oppose the dictatorship Tracing the internal deliberations of the Philippine churches as they came to take the lead in opposing human rights abuses Marcos against the Church deepens our understanding of problematic relations between church and state Historians and social scientists interested in the Philippines and modern Southeast Asia historians of religion political scientists working in comparative politics and political development and others concerned with issues of human rights will want to read it
