example of Jesus has something fresh and helpful to say to those who ponder the question It takes something old the example of Jesus to say something new to our pluralist world Most of the book examines the meetings of Jesus with Gentiles and Samaritans This is a scholarly but accessible discussion of what it might mean to have the same attitude of mind that Christ Jesus had in our contemporary multi religious world Clepsydra Sylvie Anne Goldberg,2016-04-13 The clepsydra is an ancient water clock and serves as the primary metaphor for this examination of Jewish conceptions of time from antiquity to the present Just as the flow of water is subject to a number of variables such as temperature and pressure water clocks mark a time that is shifting and relative Time is not a uniform phenomenon It is a social construct made of beliefs scientific knowledge and political experiment It is also a story told by theologians historians philosophers and astrophysicists Consequently Clepsydra is a cultural history divided in two parts narrated time and measured time recounted time and counted time absolute time and ordered time It is through this dialog that Sylvie Anne Goldberg challenges the idea of a unified Judeo Christian time and asks What is Jewish time She consults biblical and rabbinic sources and refers to medieval and modern texts to understand the different sorts of consciousness of time found in Judaism In Jewish time Goldberg argues past present and future are intertwined and comprise one perpetual narrative
