Personalities in the History of Ethnomusicology conference Urbana Illinois April 1988      Islamic and Comparative Religious Studies William Albert Graham, 2010 William A Graham a leading international scholar in the field of Islamic Studies gathers together his selected writings in this volume under three sections 1 History and Interpretation of Islamic Religion 2 The Qur'an as Scripture and 3 Scripture in the History of Religion This invaluable resource will be of primary interest to students of the Islamic tradition especially in regard to Qur'anic piety Muslim ritual practice and fundamental structures of Islamic thought It will also be of interest to students of the comparative history of religion especially as regards the phenomenon of scripture and its analogs Graham's work in Islamic studies focuses largely on the analysis and interpretation of the religious dimensions of ritual action scriptural piety textual authority revelation tradition and major concepts such as grace and transcendence His work in the comparative history of religion has focused in particular on the problem of scripture as a cross cultural religious phenomenon that is more complex than simply sacred text This invaluable resource will be of primary interest to students of the Islamic tradition especially as regards Qur'anic piety Muslim ritual practice and fundamental structures of Islamic thought and to students of the comparative history of religion especially as regards the phenomenon of scripture and its analogs      **Historical Dictionary of Sacred Music** Joseph P. Swain, 2016-10-11 Sacred music is a universal phenomenon of humanity Where there is faith there is music to express it Every major religious tradition and most minor ones have music and have it in abundance and variety There is music to accompany ritual and music purely for devotion music for large congregations and music for trained soloists music that sets holy words and music without words at all In some traditions Islamic and many Native American to name just two the relation between music and religious ritual is so intimate that it is inaccurate to speak of the music accompanying the ritual Rather to perform the ritual is to sing and to sing the ritual is to perform it This second edition of Historical Dictionary of Sacred Music contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on major types of music composers key religious figures specialized positions genres of composition technical terms instruments fundamental documents and sources significant places and important musical compositions This book is an excellent access point for students researchers and anyone wanting to know more about sacred music      Perspectives on Asian Music Fritz A. Kuttner, Fredric Lieberman, 1975      **Embodying the Vedas** Borayin Larios, 2017-04-10 Popularly Hinduism is believed to be the world's oldest living religion This claim is based on a continuous reverence to the oldest strata of religious authority within the Hindu traditions the Vedic corpus which began to be composed more than three thousand years ago around 1750-1200 BCE The Vedas have been considered by many as the philosophical cornerstone of the Brahmanical traditions stika even previous to the colonial construction of the concept of Hinduism However what can be pieced together from the Vedic texts is very different from contemporary Hindu religious practices beliefs social norms and political realities This book presents the results of a study of the traditional education and training of Brahmins through the traditional system of

education called gurukula as observed in 25 contemporary Vedic schools across the state of Maharashtra This system of education aims to teach Brahmin males how to properly recite memorize and ultimately embody the Veda This book combines insights from ethnographic and textual analysis to unravel how the recitation of the Vedic texts and the Vedic traditions as well as the identity of the traditional Brahmin in general are transmitted from one generation to the next in contemporary India *The Functions and Significance of Gold in the Veda* Gonda,2023-07-03 In this study the author considers the functions and significance attached in ancient India to gold in all its aspects Among these is the belief that gold is or represents light or the sun is essentially identical to fire fiery or brilliant energy truth ritual exactitude prestige royalty is regarded as a symbol of life and human spirit of purity and incorruptibility its function as amulets and talismans its relations with the gods the various uses made of it in rites and ceremonies soma and animal sacrifices royal and funeral rites and so on ritual utensilia made of gold symbolic actions transferring its inherent power and finally its use as a means of purification and expiation This study leads to a better understanding of many Vedic texts of various details of the ancient Indian sacrificial ritual theology including for example the deification of the sacrificer speculative thought cosmogony of the significance of figures such as the golden goose the golden Purusa and Hira yagarbha **Lifting The Veil** Piers Dudgeon,2014-04-10 The real John Tavener revealed GRAMOPHONewith generous access to Sir John himself Piers Dudgeon lifts the veil on the secrets of how Tavener produced the most evocative and inspirational music of our times pieces such as Song for Athene played a Vedic Voices David M. Knipe,2015-04-01 For countless generations families have lived in isolated communities in the Godavari Delta of coastal Andhra Pradesh learning and reciting their legacy of Vedas performing daily offerings and occasional sacrifices They are the virtually unrecognized survivors of a 3 700 year old heritage the last in India who perform the ancient animal and soma sacrifices according to Vedic tradition In Vedic Voices David M Knipe offers for the first time an opportunity for them to speak about their lives ancestral lineages personal choices as pandits wives children and ways of coping with an avalanche of changes in modern India He presents a study of four generations of ten families from those born at the outset of the twentieth century down to their great grandsons who are just beginning at the age of seven the task of memorizing their Veda the Taittiriya Samhita a feat that will require eight to twelve years of daily recitations After successful examinations these young men will reside with the Veda family girls they married as children years before take their places in the oral transmission of a three thousand year Vedic heritage teach the Taittiriya collection of texts to their own sons and undertake with their wives the major and minor sacrifices performed by their ancestors for some three millennia Coastal Andhra famed for bountiful rice and coconut plantations has received scant attention from historians of religion and anthropologists despite a wealth of cultural traditions Vedic Voices describes in captivating prose the geography cultural history pilgrimage traditions and celebrated persons of the region Here unfolds a remarkable story of Vedic pandits and their wives one scarcely known in India and not at all to the outside world **The Study of Hinduism**

Arvind Sharma, 2003 In this text leading scholars from around the world take stock of two centuries of international intellectual investment in Hinduism Since the early 19th century when the scholarly investigation of Hinduism began to take shape as a modern academic discipline Hindu studies has evolved from its concentration on description and analysis to an emphasis on understanding Hindu traditions in the context of the religion's own values concepts and history Offering an assessment of the current state of Hindu studies the contributors to this volume identify past achievements and chart the course for what remains to be accomplished in the field
