

"An amazing work in which . . . Boswell opens his scholarly treasure-house of dissenting, complexly documented evidence."  
—*The New Yorker*

# SAME-SEX UNIONS IN PREMODERN EUROPE

J O H N B O S W E L L

# Same Sex Unions In Premodern Europe

**John D. Lyons**

## **Same Sex Unions In Premodern Europe:**

**Same-Sex Unions in Premodern Europe** John Boswell, 2013-08-28 Both highly praised and intensely controversial this brilliant book produces dramatic evidence that at one time the Catholic and Eastern Orthodox churches not only sanctioned unions between partners of the same sex but sanctified them in ceremonies strikingly similar to heterosexual marriage ceremonies

*The Marriage of Likeness* John Boswell, 1996

**Same-sex Unions** Paul Victor Marshall, 2004 Bishop Marshall has given us a pastoral gift He has brought to life ways that the liturgy and worship of the Church can nourish and support Christians who are of the same gender contemplating life long covenant unions in Christ Bringing together the mind of a scholar and the heart of a pastor Bishop Marshall has given birth to a work that can help us grow as a community of faith in which all who seek to follow Jesus are helped and supported on their journey I am honored to commend this work to the church

The Rt Rev Michael B Curry Bishop of North Carolina Same Sex Unions a contribution to the continuing debate on the church s pastoral care offers biographical vignettes of two committed couples who have had their unions liturgically blessed in church and also contains complete texts of several same sex rites together with liturgical analysis and reference to secondary literature

**More Than a Single Issue** Murray Rae, 2000 In some quarters of the church the debate about the ordination of practising homosexuals has been reduced to sloganeering such as for example scripture is clear the gospel is inclusive this is the way God made me

**Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report

Chris Glaser, 2009-07-01 With the removal of sexual orientation as a bar to ordination in the Presbyterian Church U S A pending approval of a majority of presbyteries and the Episcopal Church s 2009 General Convention calling for the development of theological and liturgical resources for same sex blessings sexual orientation especially with regard to marriage is a central issue Secularly too the topic is front page news with the recent California same gender marriage ruling and subsequent Proposition 8 vote and the update of the Massachusetts same gender marriage law This book sets forth the case for religious institutions blessing of same gender marriage positing that same gender marriage does not detract from the sacredness of heterosexual marriage but rather enhances and nourishes the institution Chapters include Claiming the Blessing Deeper Than Scripture Traditional Family Values The Sacred Source of Marriage Sex and the Body of Christ Marriage As a Spiritual Discipline

**Provocations** Camille Paglia, 2019-09-17 Much has changed since Camille Paglia first burst onto the scene with her groundbreaking *Sexual Personae* but the laser sharp insights of this major American thinker continue to be ahead of the curve not only capturing the tone of the moment but also often anticipating it Opening with a blazing manifesto of an

introduction in which Paglia outlines the bedrock beliefs that inform her writing freedom of speech the necessity of fearless inquiry and a deep respect for all art both erudite and popular Provocations gathers together a rich varied body of work spanning twenty five years illuminating everything from the Odyssey to the Oscars from punk rock to presidents past and present Whatever your political inclination or literary and artistic touchstones Paglia s takes are compulsively readable thought provoking galvanizing and an essential part of our cultural dialogue invariably giving voice to what most needs to be said

**Attending to Early Modern Women** Susan Dwyer Amussen,Adele F. Seeff,1998 This volume continues and amplifies a series of conversations initiated in 1990 at the conference Attending to Women in Early Modern England sponsored by the University of Maryland s Center for Renaissance and Baroque Studies on the College Park campus The volume celebrates the work of the almost 400 scholars who contributed as plenary speakers workshop leaders and participants to Attending to Early Modern Women held in April 1994 once again at the University of Maryland at College Park

"When Brothers Dwell in Unity" Stephen Morris,2016-03-01 In the world of early Byzantine Christianity monastic rules acknowledged but discouraged the homosexual impulses of adult males What most disturbed monastic leaders was adolescent males being accepted as novices adult men were considered unable to control their sexual desires for these beautiful boys John Chrysostom the Archbishop of Constantinople 397 407 virulently denounced homosexuality but was virtually the only Byzantine cleric to do so Penances traditionally attached to heterosexual sins including remarriage after divorce or widowhood have always been much more severe than those for a variety of homosexual acts or relationships Just as Byzantine churches have found ways to accommodate sequential marriages and other behavior once stridently condemned this book argues it is possible for Byzantine Christianity to make pastoral accommodations for gay relationships and same sex marriage

**Venus and Virtue** Jerry L. Walls,Jeremy Neill,David J. Baggett,2018-01-30 Venus and Virtue are a match made in heaven While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift Unfortunately there is as much confusion about sex in Christian circles as there is in the culture at large The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology The writers however are not only experts in biblical scholarship theology and philosophy but also pastoral ministry counseling pop culture criticism and women s issues This book is not sexy in the typical sense of that word but by situating sexuality within the cosmic drama of biblical revelation the true beauty and goodness of sex most clearly emerges And as that beauty emerges we can begin to see why Christian morality not only makes profound sense but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative

*Catholic Identity* Michele Dillon,1999-08-13 Michele Dillon investigates why pro change Catholics continue to remain actively involved with the Church

The Boswell Thesis Mathew Kuefler,2006-03 Few books have had the social cultural and scholarly impact of John Boswell s Christianity Social Tolerance and Homosexuality

Arguing that neither the Bible nor the Christian tradition was nearly as hostile to homoeroticism as was generally thought its initial publication sent shock waves through university classrooms gay communities and religious congregations Twenty five years later the aftershocks still reverberate The Boswell Thesis brings together fifteen leading scholars at the intersection of religious and sexuality studies to comment on this book s immense impact the endless debates it generated and the many contributions it has made to our culture The essays in this magnificent volume examine a variety of aspects of Boswell s interpretation of events in the development of sexuality from Classical Antiquity through the Middle Ages including a Roman emperor s love letters to another man suspicions of sodomy among medieval monks knights and crusaders and the gender bending visions of Christian saints and mystics Also included are discussions of Boswell s career including his influence among gay and lesbian Christians and his role in academic debates between essentialists and social constructionists Elegant and thought provoking this collection provides a fitting twenty fifth anniversary tribute to the incalculable influence of Christianity Social Tolerance and Homosexuality and its author

### **Crime and Punishment in Early Modern Germany**

Maria R. Boes, 2016-05-13 Frankfurt am Main in common with other imperial German cities enjoyed a large degree of legal autonomy during the early modern period and produced a unique and rich body of criminal archives In particular Frankfurt s Strafenbuch which records all criminal sentences between 1562 and 1696 provides a fascinating insight into contemporary penal trends Drawing on this and other rich resources Dr Boes reveals shifting and fluid attitudes towards crime and punishment and how these were conditioned by issues of gender class and social standing within the city s establishment She attributes a significant role in this process to the steady proliferation of municipal advocates jurists trained in Roman Law who wielded growing legal and penal prerogatives Over the course of the book it is demonstrated how the courts took an increasingly hard line with select groups of people accused of criminal behavior and the open manner with which advocates exercised cultural religious racial gender and sexual orientation repressions Parallel with this however is identified a trend of marked leniency towards soldiers who enjoyed an increasingly privileged place within the judicial system In light of this discrepancy between the treatment of civilians and soldiers the advocates actions highlight the emergence and spread of a distinct military judicial culture and Frankfurt s city council s contribution to the quasi militarization of a civilian court By highlighting the polarized and changing ways the courts dealt with civilian and military criminals a fuller picture is presented not just of Frankfurt s sentencing and penal practices but of broader attitudes within early modern Germany to issues of social position and cultural identity

### **The Oxford Handbook of the Baroque** John D. Lyons, 2019-08-08

Few periods in history are so fundamentally contradictory as the Baroque the culture flourishing from the mid sixteenth to the mid eighteenth centuries in Europe When we hear the term Baroque the first images that come to mind are symmetrically designed gardens in French chateaux scenic fountains in Italian squares and the vibrant rhythms of a harpsichord Behind this commitment to rule harmony and rigid structure however the Baroque also embodies a deep fascination with wonder

excess irrationality and rebellion against order The Oxford Handbook of the Baroque delves into this contradiction to provide a sweeping survey of the Baroque not only as a style but also as a historical cultural and intellectual concept With its thirty eight chapters edited by leading expert John D Lyons the Handbook explores different manifestations of Baroque culture from theatricality in architecture and urbanism to opera and dance from the role of water to innovations in fashion from mechanistic philosophy and literature to the tension between religion and science These discussions present the Baroque as a broad cultural phenomenon that arose in response to the enormous changes emerging from the sixteenth century the division between Catholics and Protestants the formation of nation states and the growth of absolutist monarchies the colonization of lands outside Europe and the mutual impact of European and non European cultures Technological developments such as the telescope and the microscope and even greater access to high quality mirrors altered mankind's view of the universe and of human identity itself By exploring the Baroque in relation to these larger social upheavals this Handbook reveals a fresh and surprisingly modern image of the Baroque as a powerful response to an epoch of crisis

**Same-Sex Marriage** Erin L. McCoy, Jon Sterngass, 2019-07-15 In 2015 same sex marriage was declared legal in all fifty states by the Supreme Court Today more than two dozen nations around the world have legalized same sex marriage However the debate about whether such marriages should be allowed still rages on both in the United States and around the globe In some countries homosexuality is illegal and those convicted of homosexual acts can even face the death penalty Some argue that same sex marriage erodes the institution of marriage or oppose it on religious grounds while others view the ability to marry as a fundamental right This book delves into all sides of the debate with the aid of full color photographs sidebars and a glossary designed to improve young adults understanding of this complex topic **A Companion to Early Modern Rome, 1492-1692**, 2019-02-04 Winner of the 2020 Bainton Prize for Reference Works This volume edited by Pamela M Jones Barbara Wisch and Simon Ditchfield focuses on Rome from 1492 1692 an era of striking renewal demographic architectural intellectual and artistic Rome's most distinctive aspects including its twin governments civic and papal unique role as the seat of global Catholicism disproportionately male population and status as artistic capital of Europe are examined from numerous perspectives This book of 30 chapters intended for scholars and students across the academy fills a noteworthy gap in the literature It is the only multidisciplinary study of 16th and 17th century Rome that synthesizes and critiques past and recent scholarship while offering innovative analyses of a wide range of topics and identifying new avenues for research Committee's statement The volume includes a multidisciplinary study of early modern Rome by focusing on the 16th and 17th centuries by re-examining traditional topics anew This volume will be of tremendous use to scholars and students because its focus is very well conceptualized and organized while still covering a breadth of topics The authors celebrate Rome's diversity by exploring its role not only as the seat of the Catholic church but also as home to large communities of diplomats printers and working artisans all of whom contributed to the city's visual material and musical

cultures Roland H Bainton Prizes Contributors are Renata Ago Elisa Andretta Katherine Aron Beller Lisa Beaven Eleonora Canepari Christopher Carlsmith Patrizia Cavazzini Elizabeth S Cohen Thomas V Cohen Jeffrey Collins Simon Ditchfield Anna Esposito Federica Favino Daniele V Filippi Irene Fosi Kenneth Gouwens Giuseppe Antonio Guazzelli John M Hunt Pamela M Jones Carla Keyvanian Margaret A Kuntz Stephanie C Leone Evelyn Lincoln Jessica Maier Laurie Nussdorfer Toby Osborne Miles Pattenden Denis Ribouillault Katherine W Rinne Minou Schraven John Beldon Scott Barbara Wisch Arnold A Witte

Defending Same-Sex Marriage Martin Dupuis, William A. Thompson, Traci C. West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States

**In Support of Same-Sex Marriage and Gay Rights in America** Thomas J. Schuh, 2004 This is intended as a statement in support of Same Sex Marriage Gay Rights and a Non Discrimination Amendment to the U S Constitution that includes non discrimination on the basis of sexual orientation The book covers the social political cultural scientific religious and legal aspects in a historical perspective The book includes examples and references from the beginning of the Christian era to the present time Specifically measures tolerance and acceptance factors

**Moral Argument, Religion, and Same-Sex Marriage** Gordon A. Babst, Emily R. Gill, Jason A. Pierceson, 2009-09-03 The diverse expert contributors to this volume from the fields of politics and law use moral argumentation with respect to same sex marriage gay rights in general and California s Prop 8 The arguments are advanced in terms of the nation s foundational political and legal principles extending ethical argumentation to important contemporary public policy areas such as marriage the separation of church and state and the rearing of children Several chapters also contest the perceived if not actual establishment in the law and public policy of heterosexist and religious bias that continues to work against full and meaningful inclusion of sexual minorities This bias is ironically and improperly

couched in the language of American political and religious values and it misunderstands the nation's core principles or willfully miscasts them as inapplicable to many Americans and their families. Nonetheless, this bias is pervasive in the nation's political discourse, working to deny an important right and the recognition of equality to many citizens. The main contribution of *Moral Argument, Religion, and Same Sex Marriage* is in its direct engagement with the political and legal arguments of the gay community's critics on their own moral and ethical terms. Along the way, important concepts in public discourse such as governmental neutrality, the right to marry, and religious freedom are presented and cast in the light of liberal democratic theory.

Same-Sex Marriage David E. Newton, 2016-09-26

Same sex marriage continues to be a polarizing subject in the United States and other parts of the world. This new edition of *Same Sex Marriage: A Reference Handbook* brings readers up to date on the status of same sex unions from social, legal, political, and historical perspectives. According to Pew Research poll data in 2001, the majority of Americans opposed same sex marriage (57 percent against, 35 percent in support). As of 2015, a majority of Americans (55 percent) supported same sex marriage, with 39 percent expressing opposition. The landmark *Obergefell v. Hodges* case, in which the U.S. Supreme Court held in a 5-4 decision that the fundamental right to marry is guaranteed to same sex couples, is likely further influencing opinions among U.S. citizens. Still, controversy and heated debate continues to ensue on the social, legal, and political implications of same sex marriage. The second edition of *Same Sex Marriage: A Reference Handbook* presents thorough coverage of recent changes in the legal status of same sex marriage in the United States, as well as essays that provide historical perspectives on same sex marriage, an extensive up-to-date bibliography, a collection of primary source documents, a glossary, and a chronology that will serve readers studying the topic. New material includes a detailed discussion of the 2015 Supreme Court of the United States decision, as well as coverage of issues that have arisen as a result of the *Obergefell* case, such as the debate over religious freedom and LGBT civil rights legislation.

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, Explore **Same Sex Unions In Premodern Europe** . ### **Same Sex Unions In Premodern Europe Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Same Sex Unions In Premodern Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Same Sex Unions In Premodern Europe has opened up a world of possibilities. Downloading Same Sex Unions In Premodern Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Same Sex Unions In Premodern Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Same Sex Unions In Premodern Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Same Sex Unions In Premodern Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Same Sex Unions In Premodern Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Same Sex Unions In Premodern Europe has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Same Sex Unions In Premodern Europe Books**
