Music/Video Gina Arnold, Daniel Cookney, Kirsty Fairclough, Michael N. Goddard, 2017-08-10 This book is a lively comprehensive and timely reader on the music video, capitalising on cross-disciplinary research expertise which represents a substantial academic engagement with the music video, a mediated form and practice that still remains relatively under-explored in a 21st-century context. The music video has remained suspended between two distinct poles. On the one hand, the music video as the visual sheen of late capitalism at the intersection of celebrity studies and postmodernism. On the other hand, the music video as art looking to a prehistory of avant-garde film-making while perpetually pushing forward the digital frontier with a taste for anarchy, controversy, and the integration of special effects into a form designed to be disseminated across digital platforms. In this way, the music video virally re-engenders debates about high art and low culture. This collection presents a comprehensive account of the music video from a contemporary 21st-century perspective. This entails revisiting key moments in the canonical history of the music video, exploring its articulations of sexuality and gender, examining its functioning as a form of artistic expression between music film and video art, and following the music video's dissemination into the digital domain, considering how digital media and social media have come to re-invent the forms and functions of the music video well beyond the limits of music television.

Synonyms Discriminated Charles John Smith, 1910 **Synonyms Discriminated**, 1926 **Identity Papers** Helene Meyers, 2011-12-01 Argues that debates about Jewish identity and assimilation are signs of creative potential rather than crisis. Identity Papers argues that contemporary Jewish American literature revises our

understanding of Jewishness and Jewish difference Moving beyond the reductive labeling of texts and authors as too Jewish or not Jewish enough and focusing instead on narratives that portray Jewish regeneration through feminist Orthodoxy queerness off whiteness and intermarriage Helene Meyers resists a lachrymose view of contemporary Jewish American life She argues that such gendered sexed and raced debates about Jewish identity become opportunities rather than crises signs of creative potential rather than symptoms of assimilation and deracination Thus feminist debates within Orthodoxy are allied to Jewish continuity by Rebecca Goldstein Allegra Goodman and Tova Mirvis the geography of Jewish identity is racialized by Alfred Uhry Tony Kushner and Philip Roth and the works of Jyl Lynn Felman Judith Katz Lev Raphael and Michael Lowenthal queer the Jewish family as they reveal homophobia to be an abomination Even as Identity Papers expands Jewish literary horizons and offers much needed alternatives to the culture wars between liberal and traditional Jews it argues that Jewish difference productively troubles dominant narratives of feminist queer and whiteness studies Meyers demonstrates that the evolving Jewish American literary renaissance is anything but provincial rather it is engaged with categories of difference central to contemporary academic discourses and our national life Ultimately Meyers offers not only nuanced readings of many texts but also a cogent argument about the generative possibilities for American Jewish futurity through an undoing of what constitutes normative understandings of Jewish bodies families and relationships Journal of Jewish Identities Identity Papers is an important thoughtful text that will appeal to those with an interest in postmodern inquiries into multiculturalism identity theory and selfhood MELUS This is a sophisticated nuanced critical study of contemporary Jewish American literature Taking an anthropological approach to Jewish and Judaic cultural expression Meyers provides probing subtle analyses Highly recommended CHOICE

The Romance of Innocent Sexuality Geoffrey Rees, 2011-01-01 From the polling place to the pulpit *The Romance of Innocent Sexuality* investigates the passions that are enacted in debates about same sex marriage
 In a critique that is at once humorous and unrelenting Geoffrey Rees argues that sexual desire is fundamentally a desire to make sense of oneself as a whole person
 Through a constructive engagement with the writings of Saint Augustine on original sin Rees turns on its head the conventional wisdom regarding the goodness of sexual relationship arguing that sin not innocence is the starting point in pursuing justice in sexual ethics
 To that end Rees boldly reclaims the wisdom of the most disreputable teachings of the Augustinian tradition that original sin is a literal inheritance of all humanity of the singular disobedience of Adam and Eve in Eden and the inherent sinfulness of all human sexuality
 This work also engages theological readings of nineteenth century fiction and literary readings of contemporary theological writings
 In so doing Rees shows that debates about same sex marriage are so compelling because the participants are all telling a common story in which they seek to establish the innocence of their own preferred forms of self understanding as defined against some other persons sinful selves
 In contrast to this Rees argues for the acceptance of responsibility for the sinful exclusions that make possible finding the meaning of embodied personal identity through marriage between any two persons

Only in America Wadie P. Deddeh, 2018-12-20 The astonishing legacy and story of Senator Wadie P Deddeh as he describes and recalls his amazing life is bigger than any one of us
 Some would say the United States is living out its most disturbing and alienating era in politics characterized by a gaping partisan divide

performing Christ's life he reduces the godhead to a special effect yet in so doing foretells the real second coming. Medieval audiences as well as Marlowe's could evidently enjoy the constant confusion between true Christianity and its empty look-alikes for that very reason. Mimetic degradation anticipated some final as yet deferred revelation. Mere theater was a necessary prelude to redemption. The versions of the myth we find in Marlowe and earlier drama actually approximate. John Parker argues a premodern theory of the redemptive effect of dramatic representation itself. Crossing the divide between medieval and Renaissance theater while drawing heavily on New Testament scholarship, Patristics, and research into the apocrypha, *The Aesthetics of Antichrist* proposes a wholesale rereading of pre-Shakespearean drama. **A Political**

Romance S. Foley, C. Sowerwine, 2012-03-20. Leon Gambetta is renowned as a founder of the French Third Republic. This unique study of his correspondence with his lover Leonie Leon provides a fascinating insight into their intimate and political partnership. It brings to life Gambetta as lover and politician, the unknown figure of Leonie and the political and cultural world of 1870s Paris. **The Universal Christ** Richard Rohr, 2019-03-05. NEW YORK TIMES BESTSELLER. From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called Christ and how this forgotten truth can restore hope and meaning to our lives. Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book. Melinda Gates. In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked-about topic in Christianity: Jesus. Most know who Jesus was but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant unfolding work in the world. God loves things by becoming them, he writes, and Jesus's life was meant to declare that humanity has never been separate from God except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God and more about learning to recognize the Creator's presence all around us and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers and an invitation to contemplate how God liberates and loves all that is. **The Mothers Recompense** Edith Wharton, 1996-10-03. Kate Clephane abandons her husband and infant daughter, and when reunited years later discovers her daughter is about to marry one of Kate's old lovers.
