The Truth about the Jameson Raid John Hays Hammond,Alleyne Ireland,1918 **Economic Development of Africa, 1880-1939 vol 4** David Sunderland,2017-09-29 One of the main motives for British imperialism in Africa was economic gain This collection examines the ways in which Britain developed Africa and in so doing benefited her own economy **A Question Of Treason** Francis Hugh De Souza,2004 *Voices of Sharpeville* Nancy L. Clark,William H. Worger,2023-11-17 This is the first in depth study of Sharpeville the South African township that was the site of the infamous police massacre of March 21 1960 the event that prompted the United Nations to declare apartheid a crime against humanity *Voices of Sharpeville* brings to life the destruction of Sharpeville's predecessor Top Location and the careful planning of its isolated and carceral design by apartheid architects A unique set of eyewitness testimonies from Sharpeville's inhabitants reveals how they coped with apartheid and why they rose up to protest this system narrating this massacre for the first time in the words of the participants themselves Previously understood only through the iconic photos of fleeing protestors and dead bodies the timeline is reconstructed using an extensive archive of new documentary and oral sources including unused police

records personal interviews with survivors and their families and maps and family photos By identifying nearly all the victims many omitted from earlier accounts the authors upend the official narrative of the massacre Amid worldwide struggles against racial discrimination and efforts to give voices to protestors and victims of state violence this book provides a deeper understanding of this pivotal event for a newly engaged international audience **The Rise of the Global Company**

Robert Fitzgerald,2016-01-07 This is the first full account of how an influential form of commercial organization the multinational enterprise drove globalization and contributed to the making of the modern world Robert Fitzgerald explores the major role of multinational enterprises in the events of world history from the nineteenth century to the present revealing how the growth of businesses that operated across borders contributed to an unprecedented worldwide transformation and deepening interdependence between countries He demonstrates how international businesses shaped the economic development and competitiveness of nations their politics and sovereignty and the balance of power in international relations The Rise of the Global Company uses the lessons of history to question prominent contemporary interpretations of multinationals and their consequences and offers a truly wide ranging survey of multinational enterprise spanning two hundred years and five continents Heshel's Kingdom Dan Jacobson,1999 The Orthodox rabbi Heshel Melamed s sudden death by heart attack in 1919 set his widow and children free to leave Lithuania the country that he insisted be their home In light of the Holocaust that took place in Europe twenty years later his death became ironically a gift of life Heshel Melamed s family left Europe before the war and settled safely in South Africa In Heshel s Kingdom Dan Jacobson recounts his journey in the 1990s to post Communist Lithuania where he searched for traces of his grandfather Heshel s world More than a genealogical narrative however this deeply personal memoir becomes at times a philosophical tableau of secularism religion family and modern Judaism Book Jacket *James Kelman* Simon Kovesi,2013-01-18 James Kelman is Scotland s most influential contemporary prose artist This is the first book length study of his groundbreaking novels and it analyses and contextualises each in detail It argues that while Kelman offers a coherent and consistent vision of the world each novel should be read as a distinct literary response to particular aspects of contemporary working class language and culture Richly historicised through diverse contexts such as Scottish socialism public transport emigration Booker Prize culture and Glasgow s controversial City of Culture status in 1990 Simon Kovesi offers readings of Kelman s style characterisation and linguistic innovations This study resists the prevalent condemnations of Kelman as a miserable realist and produces evidence that he is acutely aware of an unorthodox politicised literary tradition which transgresses definitions of what literature can or should do Kelman is cautious about the power relationship between the working class worlds he represents in his fiction and the latent preconceptions embedded in the language of academic and critical commentary In response this study is boldly self critical and questions the validity and values of its own methods Kelman is shown to be deftly humorous assiduously ethical philosophically alert and politically necessary **Eagle'S Cry** Liz Godwin,2015-06-15 When Johanna van Zweel

meets William the first day of January in 1900 she doesn't intend to fall in love and certainly not with an Australian A foreigner an uitlander William and his mate Eddie have come to South Africa seeking to make their fortunes in gold With her parents away observing the Commando Law in the Orange Free State Johanna is tasked with ensuring Eagles Nest the family farm in Barberton runs smoothly and efficiently to support her brothers and sisters each of whom is a player in the arena of a cruel war She sees that her active duty in the war effort is to keep the farm running to provide food and horses for the commandos She is determined to save her homeland and her kin from the imperial onslaught William on the other hand pledges allegiance to the British Empire Set in the tumultuous years of 1899 to 1902 in South Africa this romance between Johanna and William both on different sides of a great conflict charts their personal military and political challenges The desperate passion of Johanna and William seems an impossibility Can their love survive as everything they believe in forces them apart
