Gilboa The character of Samuel who has been equally compared to Moses and Aaron serves as a link between the various stories In two major speeches Samuel rejects the idea of monarchy still as a loyal servant of the Lord he anoints Saul as the first king of Israel and later he anoints David Why did Samuel vehemently reject the idea of kingship Did Samuel have his own agenda and was his opposition to the monarchy motivated by his own personal aspiration There are several titles that label him priest prophet seer judge and the man of God Who was Samuel Nowhere else in the Hebrew Bible is there a description of a person such as Samuel who was raised from the grave and delivered a message of doom Readers of this volume will rediscover Samuel through a better understanding of achievements and failures Prophets, Prophecy, and Ancient Israelite Historiography Mark J. Boda, Lissa Wray Beal, 2013-01-18 The 18 essays by members of the Canadian Society for Biblical Studies published in this volume showcase the work of leading authorities on ancient Israelite and Jewish historiography as it intersects with the phenomenon of prophecy A deep divide exists between the traditions of historiography and prophecy in the academic study of the Hebrew Bible and the concern of the contributors is to close that gap to expose the close relationship between these two traditions in the literature of the Hebrew Bible The first section of the book explores prophecy and prophets in ancient Israelite and Jewish historiographic books Torah Deuteronomistic History Chronicles Ezra Nehemiah Second Temple Jewish historiography The second section surveys historiography in Israelite and Jewish prophetic books Isaiah Jeremiah Ezekiel Book of the Twelve Daniel 1 Enoch The contributors engage diverse methodological perspectives in these studies the goal first being to show the role that the prophets played within the great Hebrew historiographic works and second to demonstrate the role that historiography plays within the great Hebrew prophetic works this makes it clear that the influence is bidirectional Prophets Prophecy and Ancient Israelite Historiography will be of value for advanced students and scholars working on historiographic and prophetic materials in the ancient Israelite and Jewish traditions featuring the best of research and analysis and interacting with many major ancient literary traditions of historiography and prophecy **The Prophet's Handbook** Paula A. the extent of Samuel's sources and their redaction history as well as the textual growth of the book as a whole. The essays in this book representing the latest scholarship on this subject reexamine whether the book of Samuel was ever part of a Deuteronomistic History.
