Rules and Regulations of the San Francisco Police Department San Francisco (Calif.). Police Department,1927 *Killing the Messenger* Thomas Peele,2012-02-07 When a nineteen year old member of a Black Muslim cult assassinated Oakland newspaper editor Chauncey Bailey in 2007 the most shocking killing of a journalist in the United States in thirty years the question was Why I just wanted to be a good soldier a strong soldier the killer told police A strong soldier for whom Killing the Messenger is a searing work of narrative nonfiction that explores one of the most blatant attacks on the First Amendment and free speech in American history and the small Black Muslim cult that carried it out Award winning investigative reporter Thomas Peele examines the Black Muslim movement from its founding in the early twentieth century by a con man who claimed to be God to the height of power of the movement s leading figure Elijah Muhammad to how the great grandson of Texas slaves reinvented himself as a Muslim leader in Oakland and built the violent cult that the young gunman eventually joined Peele delves into how charlatans exploited poor African Americans with tales from a religion they falsely claimed was Islam and the years of bloodshed that followed from a human sacrifice in Detroit to police shootings of unarmed Muslims to the horrible backlash of racism known as the zebra murders and finally to the brazen killing of Chauncey Bailey to stop him from publishing a newspaper story Peele establishes direct lines between the violent Black Muslim organization run by Yusuf Bey in Oakland and the evangelicalism of the early prophets and messengers of the Nation of Islam Exposing the roots of the faith Peele examines its forerunner the Moorish Science Temple of America which in the 1920s and 30s preached to migrants from the South living in Chicago and Detroit ghettos that blacks were the world s master race tricked into slavery by white devils In spite of the fantastical claims and hatred at its core the Nation of Islam was able to build a following by appealing to the lack of identity common in slave descendants In Oakland Yusuf Bey built a cult through a business called Your Black Muslim Bakery beating and raping dozens of women he claimed were his wives and fathering more than forty children Yet Bey remained a prominent fixture in the community and police looked the other way as his violent soldiers ruled the streets An enthralling narrative that combines a rich historical account with gritty urban reporting Killing the Messenger is a mesmerizing story of how swindlers and con men abused the tragedy of racism and created a radical religion of bloodshed and fear that culminated in a journalist s murder THOMAS PEELE is a digital
