San Jose And Other Famous Places:

San Jose, and Other Famous Places Harry Farrell, 1983 **San Jose, and Other Famous Places** John Daniel Kraus, 1983 **San Jose and Other Famous Places** Harry G. Farrell, 2009-06 The adventures and misadventures of a go getter reporter Farrell intertwine with the psychology and ambiance of a unique place as he and the city of San Jose cope with the comings and goings of the likes of Richard Nixon Eldridge Cleaver and Robert Kennedy *Upper Guadalupe River Flood Control Project, Santa Clara Valley Water District, Santa Clara County*, 1999 **Building Home** Eric John Abrahamson, 2013-02-28 Building Home is an innovative biography that weaves together three engrossing stories It is one part corporate and industrial history using the evolution of mortgage finance as a way to understand larger dynamics in the nation's political economy It is another part urban history since the extraordinary success of the savings and loan business in Los Angeles reflects much of the cultural and economic history of Southern California Finally it is a personal story a biography of one of the nation's most successful entrepreneurs of the managed economy Howard Fieldstad Ahmanson Eric John Abrahamson deftly connects these three strands as he chronicles Ahmanson's rise against the background of the postwar housing boom and the growth of L A during the same period As a sun tanned yachtsman and a cigar smoking financier the Omaha born Ahmanson was both unique and representative of many of the business leaders of his era He did not control a vast infrastructure like a railroad or an electrical utility Nor did he build his wealth by pulling the financial levers that made possible these great corporate endeavors Instead he made a fortune by enabling the middle class American dream With his great wealth he contributed substantially to the expansion of the cultural institutions in L A As we struggle to understand the current mortgage led financial crisis Ahmanson's life offers powerful insights into an era when the widespread hope of homeownership was just beginning to take shape **Explorer's Guide Los Cabos & Baja California Sur: A Great Destination (Second Edition) (Explorer's Great Destinations)** Kevin Delgado, 2011-02-07 In this fully revised edition discover all the wondrous ocean vistas relaxing resorts and world class deep sea fishing in this exotic environment Discover historic missions enjoy world class deep sea fishing go golfing on courses with beautiful ocean vistas or simply relax in a beach resort on the exotic Sea of Cortez all within 1 000 miles of the United States In this fully revised second edition Kevin Delgado gives you all the information you need to enjoy your holiday in this wondrous destination **The Tourist Places of the World** Philippe Violier, Benjamin Taunay, 2020-02-25 Formerly a largely Western practice leisure travel is today the most dynamic industry in the world in terms of growth Developments in transport and communication systems mean tourism is now an integral part of our understanding of the world and involved in the exponential increase of links between societies and different cultures The Tourist Places of the World has comprehensive data on the number of international visitors annually It also includes an original map not dictated by country but by major tourist areas and places The hierarchy of destinations drawn is highlighted by the different levels of popularity and

passenger flows from the universal places where all societies meet to the still unfrequented places Beyond the recognition of global tourism the challenge is to understand how and why societies can achieve a better life through sustainable development which encompasses social economic and environmental dimensions
