Sanctuary Stories:

The Murmuring Stories of the Priestly School David Frankel, 2014-09-03 This book deals with the stories of Israelite complaint or murmuring in the wilderness found in the books of Exodus and Numbers that were composed and edited by the priesthood of ancient Israel. It discusses the significance of the theme of rebellion and complaint for the ancient priests and analyses the part they played in the development of the theme in the Pentateuch. After a general introduction on the theme of murmuring and on the Priestly School, the book goes on to analyze four major priestly texts: the manna story (Exodus 16), the story of the Scouts (Numbers 13-14), the story of the rebellions surrounding the figure of Korah (Numbers 16-17), and the story of the Waters of Merivah (Numbers 20). The significance of the book is two-fold. First, it develops a methodology that allows one to discriminate between early priestly narrative materials and later priestly editorial supplementation. Second, the work demonstrates the antiquity of the priestly narrative lore in the Pentateuch and the significant role which the priests played in creating and developing major narrative traditions in ancient Israel.

Stories of Persecution Russom Teklay, These stories offer a profound exploration of the human condition when subjected to adversity, discrimination and injustice. Within the pages of this collection, readers will discover tales of resilience, courage and hope, as well as the enduring spirit that drives individuals to survive, resist and rebuild their lives even in the most challenging circumstances. These narratives illuminate the power of the human spirit to overcome, inspire change and serve as a testament to the universal values of compassion, justice and the pursuit of a brighter future.

Sacred Queer Stories A. S. Van Klinken, Johanna Stiebert, Brian Sebyala, Fredrick Hudson, 2021 An invaluable insight into the narrative politics and theologies of LGBTQ life storytelling, a key text for those in African Humanities, Queer Studies, Religious Studies and Refugee Studies. Presenting the deeply moving personal life stories of Ugandan LGBTQ refugees in Nairobi, Kenya, alongside an analysis of the process in which they creatively engaged with two Bible stories: Daniel in the Lions Den (Old Testament) and Jesus and the Woman Caught in Adultery (New Testament). *Sacred Queer Stories* explores how readings of biblical stories can reveal their experiences of struggle, their hopes for the future and their faith in God and humanity. Arguing that the telling of life stories of marginalised people such as Ugandan LGBTQ refugees affirms embodied existence and agency, is socially and politically empowering and enables human solidarity, the authors also show how the Bible, as an authoritative religious text and popular cultural archive in Africa, is often used against LGBTQ people but can also be reclaimed as a site of meaning, healing and empowerment. The result of a collaborative project between UK-based academics and a Nairobi-based organisation of Ugandan LGBTQ refugees, the book provides a valuable insight into the narrative politics and theologies of LGBTQ life.
