Sandy Signs His Name Myra Berry Brown,1967 A little boy learns to sign his name and cannot resist writing it on everything Needful Things Stephen King,2016-01-01 Set in the fictional town of Castle Rock Maine Master storyteller Stephen King presents the classic 1 New York Times bestseller about a mysterious store than can sell you whatever you desire but not without exacting a terrible price in return The town of Castle Rock Maine has seen its fair share of oddities over the years but nothing is as peculiar as the little curio shop that s just opened for business here Its mysterious proprietor Leland Gaunt seems to have something for everyone out on display at Needful Things interesting items that run the gamut from worthless to priceless Nothing has a price tag in this place but everything is certainly for sale The heart s desire for any resident of Castle Rock can easily be found among the curiosities in exchange for a little money and at the specific request of Leland Gaunt a whole lot of menace against their fellow neighbors Everyone in town seems willing to make a deal at Needful Things but the devil is in the details And no one takes heed of the little sign hanging on the wall Caveat emptor In other words let the buyer beware Reports of the United States Board of Tax Appeals United States.
