The Post-Boom in Spanish American Fiction Donald Leslie Shaw, 1998-01-01 Provides a clear account of the issues in Spanish American fiction in the last quarter century by attempting to answer questions on the Boom Post Boom and its relation to Postmodernism

The A to Z of Postmodernist Literature and Theater Fran Mason, 2009-07-23 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabulations that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book *The A to Z of Postmodernist Literature and Theater* examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates

Theoretical Fables Alicia Borinsky, 2015-09-11 Alicia Borinsky argues that the

contemporary Latin American novel does not just ingeniously dismantle the referential claims of the more traditional novel it offers a postmodern version of the lessons taught by fiction Latin American fiction perhaps the most inventive literature of recent decades seems marked by its self reflexivity by its playful relationship to history and the everyday and by its concerns with the ways in which language works But is it Borinsky asks really a literature whose primary goal is to raise metafictional questions about writing and reading While the effects of this literature include dismantling the illusions of realism naturalism and historicism the haunting and disturbing energy of its major works lies in their capacity of invoke a region beyond literature through literature Theoretical Fables progresses by way of close readings of the works of eight canonical and not quite canonical Latin American Authors Borinsky argues that the Latin American theoretical fable has its origins in the work of the early twentieth century Argentinean writer Macedonio Fernandez In this light she studies the works of Jorge Luis Borges Gabriel Garcia Marquez Julio Cortazar Jos Donoso Adolfo Bioy Cesares Manuel Puig and Maria Luisa Bombal

Translation, Travel, Migration Loredana Polezzi, 2016-04-08 The connection between travel and translation is often evoked in contemporary critical theory both practices seen as metaphors of mobility and flux linked to globalized post modern society Travel is a multiple activity encompassing temporary and voluntary displacement repeated movement exile economic migration diaspora Places of origin are often plural and unstable in spite of the enduring appeal of traditional labels such as mother country or patrie The multiple interfaces between translation travel and migration are the focus of all contributions in this special issue Starting from different points of view and using a variety of methodologies the authors raise fundamental questions about the way in which we perceive the link between language national or ethnic identity and individual voice Topics range from the interaction between travel travel narratives and translation in early English representations of China to the special role played by interpreters in mediating the first contact between a literate and a non literate culture from the multiple functions and audiences addressed by contemporary Romani literature and its translation to the political as well a cultural implications of translating popular music across the Bosphorus A number of the articles focus on detailed textual analysis covering the intersection between exile self translation and translanguaging in the work of Manuel Puig the uses and limitations of translation in the works of migrant authors or the impact on figurations of Europe of experimental work embracing polylingualism Collectively these contributions also underline the importance of a closer examination of our assumptions about who the translators and the interpreters are and what roles they play in our society

Acoustic Properties Tom McEnaney, 2017-06-15 Acoustic Properties Radio Narrative and the New Neighborhood of the Americas discovers the prehistory of wireless culture It examines both the coevolution of radio and the novel in Argentina Cuba and the United States from the early 1930s to the late 1960s and the various populist political climates in which the emerging medium of radio became the chosen means to

produce the voice of the people Based on original archival research in Buenos Aires Havana Paris and the United States the book develops a literary media theory that understands sound as a transmedial phenomenon and radio as a transnational medium Analyzing the construction of new social and political relations in the wake of the United States 1930s Good Neighbor Policy Acoustic Properties challenges standard narratives of hemispheric influence through new readings of Richard Wright s cinematic work in Argentina Severo Sarduy s radio plays in France and novels by John Dos Passos Manuel Puig Raymond Chandler and Carson McCullers Alongside these writers the book also explores Che Guevara and Fidel Castro s Radio Rebelde FDR s fireside chats Felix Caignet s invention of the radionovela in Cuba Evita Per n s populist melodramas in Argentina Orson Welles s experimental New Deal radio Cuban and U S radio wars and the 1960s African American activist Robert F Williams s proto black power Radio Free Dixie From the doldrums of the Great Depression to the tumult of the Cuban Revolution Acoustic Properties illuminates how novelists in the radio age converted writing into a practice of listening transforming realism as they struggled to channel and shape popular power [The Art of Transition](#) Francine Masiello,2001-09-21 Addresses the problems defined by practitioners of literary and visual culture in the post dictatorship years in Chile and Argentina *Latin American Writers on Gay and Lesbian Themes* David William Foster,1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author s writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe [Encyclopedia of Latin American Literature](#) Verity Smith,1997-03-26 A comprehensive encyclopedic guide to the authors works and topics crucial to the literature of Central and South America and the Caribbean the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the Hispanic communities in the United States Besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers Outstanding Reference Source Outstanding Reference Book
