The Madness of Epic Debra Hershkowitz,1998-06-25 Madness plays a vital role in many ancient epics not only do characters go mad but madness also often occupies a central thematic position in the texts In this book Debra Hershkowitz examines from a variety of theoretical angles the representation and poetic function of madness in Greek and Latin epic from Homer through the Flavians including individual chapters devoted to the Iliad and Odyssey Virgil s Aeneid Ovid s Metamorphoses Lucan s Bellum Civile and Statius Thebaid The study also addresses the difficulty of defining madness and discusses how each epic explores this problem in a different way finding its own unique way of conceptualizing madness Epic madness interacts with ancient models of madness but also even more importantly with previous representations of madness in the literary tradition Likewise the reader s response to epic madness is influenced by both ancient and modern views of madness as well as by an awareness of intertextuality **American Medicine** ,1921 **The Abyssal Plain** Brett J. Talley,William Holloway,Michelle Garza,Melissa Lason,Rich Hawkins,2019-11-29 With The Abyssal Plain Holloway and Talley have managed to transform the Cthulhu Mythos into something with a more modern flavor drawing not just from the well of cosmic horror but from technothrillers survival horror and splatterpunk with just a dash of the lost sensibilities of the shudder pulps A cup full of tentacles mixed with existential nihilism and sprinkled with liberal quantities of gore this is Lovecraftian horror with a bloody bent that few others have dared to explore Peter Rawlik author of Reanimators They called

it the Event The Event changed everything The earthquakes came first including the Big One shattering the Pacific Rim and plunging the world into chaos Then the seas came the skies opened and the never ending rain began But as bad as that was there is something worse The Rising has begun A lone man who abandoned the world for his addictions searches a waterlogged Austin for something anything to cling to Little does he know that something else searches for him In the Sonoran Desert the downtrodden of the world search for a better life north of the border only to see the desert become an ocean an ocean that takes life and gives death In the woods of Alabama survivors escape to Fort Resistance but soon discover that it isn't just the horrors of the deep places of the world that they need to fear but rather a new and more deadly pestilence that has grown in their own ranks In England it's too late to fight and all that's left is to survive One man reaches for his own humanity but what to do when humanity is an endangered species And in the Pacific He is rising In The Abyssal Plain The R lyeh Cycle authors William Holloway Michelle Garza and Melissa Lason Brett J Talley and Rich Hawkins have created a timely and uniquely modern reimagining of the Cthulhu Mythos

**Brekky Central** Adam Boland, 2014-10-08 I thought I knew a bit about breakfast TV I was wrong What we see is nothing compared to what goes on behind the scenes I was fascinated to read this brutally honest account of so many stories that have become Australian media folklore The characters the drama the egos It is an unflinching account from the man who has arguably had a greater impact on the way we watch TV than anyone since Graham Kennedy MIA FREEDMAN Between Sunrise and The Morning Show Adam Boland oversaw thirty hours of network television a week turning a daggy finance nerd and a suburban mum into household names He even helped propel Kevin Rudd into The Lodge Now for the first time he takes us behind the camera inside the Sunrise family Brekky Central is the story of the most competitive timeslot on television the stakes are high and so are the pressures on those who show up each morning to win the ratings Along the way celebrities do what celebrities do television executives outmanoeuvre each other and presenters succeed or fail This is a world of hellishly long hours of silliness and seriousness an extraordinary mix of egos scandals and drama but also a celebration of the magic that is television
