Houcine Berbou, Aziz Fassouane, Mustapha Belaissaoui, 2020-04-06 This book brings together papers presented at the 3rd Conference of Research in Economics and Management CIREG held in Morocco in May 2016. With a focus on the challenges of SMEs and innovative solutions they highlight the contribution of researchers in the fields of business and management with all their micro and macro economic aspects. They shed light on the universal scientific vision of the importance of SMEs with answers relevant to their local context and adapted to their specific national situation. The relevance of SME research lies in its heuristic value of analyzing change rather than in constructing a category a particularly useful empirical concept.

Communiquer en langue étrangère Aline Gohard-Radenkovic, 2004 Si de nos jours la dimension culturelle est devenue pour tout théoricien ou praticien une composante vidente de l'apprentissage d'une langue étrangère et même si elle a fait l'objet de nombreux débats elle n'a pas bénéficié d'un investissement méthodologique en didactique des langues. Cet ouvrage propose une méthodologie d'initiation une lecture anthropologique des sociétés et des cultures destinées à ceux qui forment des publics apprenant des langues étrangères des fins d'activités universitaires ou professionnelles. La constitution de compétences de communication dans un contexte multiculturel repose sur l'apprentissage de savoirs et savoir-faire tant culturels que linguistiques en vue de mieux maîtriser les dimensions implicites qui sous-tendent toute communication. Dans ce but sont proposés des démarches d'observation et de codage des valeurs systèmes de référence représentatives des comportements des locuteurs en présence. Des formations à l'analyse de la dimension interculturelle sont indispensables à la constitution de compétences culturelles chez l'enseignant ou le formateur qui devra préparer les futurs usagers de la langue dans leur environnement étranger et construire avec eux les stratégies de compréhension et d'ajustement nécessaires à l'aboutissement de leur projet **Metode Praktis Belajar Bahasa Prancis** Rory Anthony Hutagalung, 2018-05-14 Metode Praktis Belajar Bahasa Prancis
