Wandering Heart: a Gay Man'S Journey John Loomis

M.D.,2010-02-04 John Loomis grew up in a small South Texas town during the last days of the Great Depression and World

War II As an only child and with disturbed parents he was isolated from his peers Growing up shy bookish and knowing from

a very early age that he was different in some unacceptable way he was very distressed to find out from the high school

library that he was gay There was no one to turn to for help or information He thought the only other gay person on earth

was Andre Gide the great French writer but he was too far away to visit Feeling alone but not lonely he went on to college

and medical school and after that did psychiatric training and opened an office in New York City Gradually he made peace

with being gay and began a search for love which led to many adventures disasters happiness and heartbreak After inheriting

the family business he was torn between it and his medical practice He developed alcoholism the family disease and was also

troubled by recurrent depressions Beginning his recovery from alcoholism in 1977 he has been able to construct a generally
