Secular Saints Sarah M. Misemer, 2008 The sanctification of stardom Contemporary icons are drawn from popular culture musicians artists actors and other personalities we hear on radio or see on television on screen in print and in cyberspace Today's gods are media personalities and cults surround stars and artists like Frida Kahlo Carlos Gardel Eva Perón and Selena Because of transnational and global trends in importing and exporting cultural products the paintings music and politics that these figures crafted accrue symbolic meaning in multiple formats By viewing them through the lens of performance art we can begin to see how their polyvalent personas were first molded and perfected for the public through paintings tangos politics and Tejano music Once they fashioned their own complex images these multi-layered icons continued to travel after death over international boundaries gendered divisions political borders and language barriers Their reincarnation on stage has allowed dramatists to affix and generate new associations thus converting them into secular saints for contemporary audiences SARAH M. The Space of Disappearance Karen Elizabeth Bishop, 2020-01-01 More than thirty thousand people were forcibly disappeared during the military dictatorship that governed Argentina from 1976 to 1983 leaving behind a cultural landscape fractured by absence denial impunity and gaps in knowledge This book is about how these absences assume narrative form in late twentieth century Argentine fiction and the formal strategies and structures authors have crafted to respond to the country's use of systematic disappearance as a mechanism of state terror In incisive close readings of texts by Rodolfo Walsh Julio Cortázar and Tomás Eloy Martínez Karen Elizabeth Bishop explores how techniques of dissimulation doubling displacement suspension and embodiment come to serve both epistemological and ethical functions grounding new forms of historical knowledge and a new narrative commons whose work continues into the twenty-first century Their writing Bishop argues recalibrates our understanding of the rich and increasingly urgent reciprocities between fiction history and the demands of human rights In

the end The Space of Disappearance asks us to reexamine in fiction what we think we cannot see there at the limits of the literary disappearance appears as a vital agent of resistance storytelling and world building *Rereading Women in Latin America and the Caribbean* Jennifer Abbassi, Sheryl L. Lutjens, 2002-03-26 This indispensable text reader provides a broad ranging and thoughtfully organized feminist introduction to the ongoing controversies of development in Latin America and the Caribbean Designed for use in a variety of college courses the volume collects an influential group of essays first published in *Latin American Perspectives* a theoretical and scholarly journal focused on the political economy of capitalism imperialism and socialism in the Americas The reader is organized into thematic sections that focus on work politics and culture and each section includes substantive introductions that identify key issues trends and debates in the scholarly literature on women and gender in the region Demonstrating the rich and multidisciplinary nature of Latin American studies this collection of timely empirical studies promotes critical thinking about women's place and power about theory and research strategies and about contemporary economic political and social conditions in Latin America and the Caribbean Valuable as both a supplementary or primary text *Rereading Women* makes a convincing claim for a materialist feminist analysis It convincingly shows why women have become an increasingly important subject of research acknowledges their gains and struggles over time and explores the contributions that feminist theory has made toward the recognition of gender as a relevant indeed essential category for analyzing the political economy of development **Unter dem Siegel der Nekropole** Andrew M. Latin American Documentary Narratives Liliana Chávez Díaz, 2021-11-04 Winner of the Victor Villase or Best Latino Focused Nonfiction Book Award English from the 2022 International Latino Book Awards What defines the boundary between fact and fabrication fiction and nonfiction literature and journalism Latin American Documentary Narratives unpacks the precarious testimonial relationship between author and subject where the literary journalist rather than the subject being interviewed can become the hero of a narrative in its recording and retelling Latin American Documentary Narratives covers a variety of nonfiction genres from the 1950s to the 2000s that address topics such as social protests dictatorships natural disasters crime and migration in Latin America This book analyzes and includes an appendix of interviews with authors who have not previously been critically read together from the early and emblematic works of Gabriel Garc a M rquez and Elena Poniatowska to more recent authors like Leila Guerriero and Juan Villoro who are currently reshaping media and audiences in Latin America In a world overwhelmed by data production and marked by violent acts against those considered others Liliana Ch vez D az argues that storytelling plays an essential role in communication among individuals classes and cultures

Fear and Loathing Worldwide Robert Alexander, Christine Isager, 2018-07-26 For more than 40 years the radically subjective style of participatory journalism known as Gonzo has been inextricably associated with the American writer Hunter S Thompson Around the world however other journalists approach unconventional material in risky ways placing themselves in the middle of off beat stories and relate those accounts in the supercharged rhetoric of Gonzo In some cases Thompson s influence is apparent even explicit in others writers have crafted their journalistic provocations independently only later to have that work labelled Gonzo In either case Gonzo journalism has clearly become an international phenomenon In Fear and Loathing Worldwide scholars from fourteen countries discuss writers from Europe the Americas Africa and Australia whose work bears unmistakable traces of the mutant Gonzo gene In each chapter Gonzo emerges as a powerful but unstable signifier read and practiced with different accents and emphases in the various national cultural political and journalistic contexts in which it has erupted Whether immersed in the Dutch crack scene exploring the Polish version of Route 66 following the trail of the 2014 South African General Election or committing unspeakable acts on the bus to Turku the writers described in this volume are driven by the same fearless disdain for

convention and profound commitment to rattling received opinion with which the outlaw journalist Thompson scorched his way into the American consciousness in the 1960s 70s and beyond Reader's Guide to Women's Studies Eleanor Amico,1998-03-20 The Reader s Guide to Women s Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors
