Santa Teresa De Jesus:

The Life of Saint Teresa of Avila Carlos Eire, 2019-06-11 The life and many afterlives of one of the most enduring mystical testaments ever written The Life of Saint Teresa of Avila is among the most remarkable accounts ever written of the human encounter with the divine The Life is not really an autobiography at all but rather a confession written for inquisitors by a nun whose raptures and mystical claims had aroused suspicion Despite its troubled origins the book has had a profound impact on Christian spirituality for five centuries attracting admiration from readers as diverse as mystics philosophers artists psychoanalysts and neurologists How did a manuscript once kept under lock and key by the Spanish Inquisition become one of the most inspiring religious books of all time National Book Award winner Carlos Eire tells the story of this incomparable spiritual masterpiece examining its composition and reception in the sixteenth century the various ways its mystical teachings have been interpreted and reinterpreted across time and its enduring influence in our own secular age The Life became an iconic text of the Counter Reformation was revered in Franco's Spain and has gone on to be read as a feminist manifesto a literary work and even as a secular text But as Eire demonstrates in this vibrant and evocative book Teresa's confession is a cry from the heart to God and an audacious portrayal of mystical theology as a search for love Here is the essential companion to the Life one woman's testimony to the reality of mystical experience and a timeless affirmation of the ultimate triumph of good over evil

Saint Teresa,1948 The Life of St. Teresa of Jesus, of the Order of Our Lady of Carmel Teresa of Avila,2014-01-31 Born in Avila Spain on March 28 1515 St Teresa was the daughter of a Toledo merchant and his second wife who died when Teresa was 15 one of ten children Shortly after this event Teresa was entrusted to the care of the Augustinian nuns After reading the letters of St Jerome Teresa resolved to enter a religious life In 1535 she joined the Carmelite Order She spent a number of relatively average years in the convent punctuated by a severe illness that left her legs paralyzed for three years but then experienced a vision of the sorely wounded Christ that changed her life forever From this point forward Teresa moved into a period of increasingly ecstatic experiences in which she came to focus more and more sharply on Christ s passion With these

visions as her impetus she set herself to the reformation of her order beginning with her attempt to master herself and her adherence to the rule. Gathering a group of supporters, Teresa endeavored to create a more primitive type of Carmelite. From 1560 until her death, Teresa struggled to establish and broaden the movement of Discalced or shoeless Carmelites. During the mid 1560s she wrote the Way of Perfection and the Meditations on the Canticle. In 1567 she met St John of the Cross, who she enlisted to extend her reform into the male side of the Carmelite Order. Teresa died in 1582. St Teresa left to posterity many new convents which she continued founding up to the year of her death. She also left a significant legacy of writings which represent important benchmarks in the history of Christian mysticism. These works include the Way of Perfection and the Interior Castle. She also left an autobiography, the Life of Teresa of Avila.

Her books, which include her autobiography *The Life of Teresa of Jesus* and her seminal work *El Castillo Interior* (The Interior Castle), are an integral part of the Spanish Renaissance literature as well as Christian mysticism and Christian meditation practices as she entails in her other important work *Camino de Perfeccion* (The Way of Perfection). Readers interested in basic Christian mysticism need look no further than Saint Teresa of Avila. Theresa expresses in beautiful language her deep relationship with God, and her words of wisdom and ever hopeful outlook have inspired Christians everywhere for centuries. The Spanish Carmelite nun's autobiography provides a perfect entrance point to the world of mental prayer. She begins her story with tales of her childhood in the early 1500s, the death of her mother, how she became a nun, and the hardships of her life, including illness and a period of lukewarmness during which she ceased to pray. St Teresa also relates the vision and instructions she

received from God later in her life. This book also contains St Teresa's writings on the four states of mental prayer. In the first stage, believers learn to pray. In the second, they experience the supernatural aspect of prayer. In the third, the soul is bathed in the pleasure of God's presence, and in the fourth, the senses are abandoned in a sort of out-of-body experience where the soul feels only divine union. This book also contains a series of relations, letters she sent to colleagues, giving further thoughts of her beliefs. St Teresa's warm and personal descriptions of union with God provide a wonderful and accessible starting point for engagement in her life and theology of mysticism. *The Book-mark of Santa Teresa de Jesús 1515-1582* Saint Teresa (of Avila), Aries Press, 1926
