continent It also created vast wealth for its four owners including the fortune with which Leland Stanford would found Stanford University some two decades later But while the Transcontinental has often been celebrated in national memory little attention has been paid to the Chinese workers who made up 90 percent of the workforce on the Western portion of the line The Railroad could not have been built without Chinese labor but the lives of Chinese railroad workers themselves have been little understood and largely invisible This landmark volume explores the experiences of Chinese railroad workers and their place in cultural memory The Chinese and the Iron Road illuminates more fully than ever before the interconnected economies of China and the US how immigration across the Pacific changed both nations the dynamics of the racism the workers encountered the conditions under which they labored and their role in shaping both the history of the railroad and the development of the American West Praise for The Chinese and the Iron Road This timely and essential volume preserves the humanity of the often ignored and forgotten immigrant worker while also uncovering just how important Chinese American railroad workers were in the making of America and its place in the world Erika Lee author of The Making of Asian America Gordon H Chang and Shelley Fisher Fishkin s meticulously researched and beautifully written book fills a critical gap in our nation s history The Chinese and the Iron Road brings to life the stories of workers who defied incredible odds and gave their lives to unite these states into a nation David Henry Hwang Tony Award winning playwright of The Dance and the Railroad and M Butterfly Destined to become the go to resource about Chinese railroad workers in the American West Madeline Hsu author of The Good Immigrants How the Yellow Peril Became the Model Minority Deeply researched and richly detailed The Chinese and the Iron Road brings to life the Chinese immigrants whose work was essential to the railroad s construction Thomas Bender author of A Nation Among Nations America s Place in World History **For Younger Readers**, 2010 **Laurence Yep** Katherine Lawrence, 2003-12-15 Discusses life and work of the popular children s author including his writing process and methods inspirations a critical discussion of his books biographical timeline and awards **Talking Book Topics**, 2008 **Cyclopedia of World Authors: Scot-Z.
