Coast Guard,1981 Children's Books in Print ,1993 *Abba's Whisper* Alan Davey,Elizabeth Davey,2017-01-18 There is a longstanding tradition that God whispers in our ears He does not shout It is in the holy whisper writes the Quaker mystic that we hear Abba s voice not in the noise of clamoring crowds or the incessant barrage of social media To hear the voice of God is an awesome thing to know his thoughts to intuit his love to participate in his good pleasure It is both a gift to be received and art to be cultivated It can call to us when we least expect but we can train ourselves to become receptive listeners We need help to separate the cacophony of voices calling to us from the quiet whisper of Abba barely audible Since our wordy world masks the quiet respectful voice of God we need to recognize the primary ways that Abba communicates with his creation We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing From our deep Christian past we hear the voice of St Augustine murmur Whisper in my heart I am here to save you I shall hear your voice and make haste to clasp you to myself *Forthcoming Books* Rose Army,1996-06 My God, My Land Jacqueline Ryle,2016-12-05 Examining the multifaceted nature of Christianity in Fiji My God My Land reveals the deeply complex and often paradoxical dynamics and tensions between processes of change and continuity as they unfold in representations and practices of Christianity and tradition in people s everyday lives The book draws on extensive multi sited fieldwork in different denominations to explore how shared values and cultural belonging are employed to strengthen relations As such My God My Land will be of interest to anthropologists of Oceania as well as

White,2022-07-29 *Tending the Fire at the Center of the World* engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim aesthetics beauty and creativity as the church s most native theological way of knowing and being which participates with God s own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church s teaching liturgy and proclamation In this view the church does not simply regurgitate familiar texts political tropes or flattened doctrines but breaks into the world as Christ s body a parable a song a flash mob interrupting business as usual giving new expression to acts of care repentance forgiveness joy and communion awake to the beauty of God s gifts and inviting our worship *Jasper F. Art Gallery,1968 *Baltic Peripeties* Eckhard Schumacher,Cordelia Heß,2025-07-14 In Aristotle s Poetics the well constructed turning point peripeteia makes a story by unfolding its tragic or more broadly literary potential But neither narrative nor historical turning points occur in empty spaces Given the power of the peripety for plot making this volume inquires about its agency in the shaping of specific regions Narration matters for the constitution of events and regions alike space matters as a key element for the construction of plots and their dynamics The Baltic Sea region with its rich literary and cultural traditions and multiple overlapping layers of historical ruptures is a particularly fruitful area for exploring transformation processes from a narratological point of view **Polish Countryside in Transition** Wioletta Knapik,Tomasz Masłyk,Katarzyna Zajda,Łukasz Trembaczowski,2025-07-14 Today s quality of life in the Polish countryside is intertwined with residents social capital resources To describe the matter comprehensively and suggest potential trends the authors examine in four chapters critical socioeconomic issues that have shaped selected dimensions of the rural quality of life in Poland In addition to the description of Polish rural areas before and after accession to the European Union 1 the level and standards of living in the countryside identified in the study is presented 2 The social capital of the Polish rural population 3 and the changes in the quality of life in the Polish countryside from the perspective as perceived by local leaders are also described in detail 4 **Post Celtic Tiger Landscapes in Irish Fiction** Marie Mianowski,2016-11-03 This volume discusses place and landscape in Irish fiction since 2008 including work by William Trevor Dermot Bolger Anne Enright Donal Ryan Claire Kilroy Kevin Barry Gerard Donovan Danielle McLaughlin Trisha McKinney Billy O Callaghan and Colum McCann In light of writing by geographers anthropologists and philosophers like Doreen Massey Tim Ingold Giorgio Agamben and Jeff Malpas this book examines metamorphoses of place and landscape
