F. Brindley, 2011-02-24 Through vivid imagery and rich prose the poems in Reflections of a Searching Heart bring the Bibles key stories to life for young and old alike These story poems transform famous biblical figures into familiar friends From the creation of the world to Christs birth and resurrection J F Brindley celebrates the miracle of Christianity through her deeply moving poems Watch as Moses is drawn from the water witness Daniel as he survives the lions den and feel the warmth of Josephs coat of many colors In poems on Christmas join Mary and Joseph as they travel to Bethlehem celebrate Jesuss birth with lowly shepherds and wealthy wise men and flee to Egypt to escape King Herods wrath Poems on Easter chronicle the remarkable time of Jesuss death and resurrection Come into the upper room and pray with the Lord and his disciples Stand at the cross and the empty tomb and witness the triumphal ascension of Jesus Reflecting a deep religious devotion these prayers and praise poems provide a clear view of Gods love and majesty This beloved treasury will strengthen your faith and provide comfort and confidence that our heavenly Father loves His creation **A Golden Treasury for the Children of God ... Edited and Enlarged by ... James Smith** Carl Heinrich von BOGATZKY, 1870 Questions God Asks Us Trevor Hudson, 2020-03-01 Transformation comes from questions not answers We often look to the Bible as the book of answers How often though do we consider the challenging questions God asks Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three The Creator is teaching us as we teach children when they struggle with schoolwork You learn more by doing than being fed an absolute answer In Questions God Asks Us we re encouraged to focus on the quest rather than a resolution Such an approach leads to deeper dialogue and intimacy with the divine This is a critical turning point in our journey with God as it was for the author I thought the Bible existed to give me solutions to my everyday concerns and dilemmas writes Hudson Then I realized I might be approaching God and the Bible from the wrong direction It was as if God said to me Trevor rather than you always

asking questions of me start listening to the questions I have for you Each of 10 questions Hudson excerpts from the Old and New Testaments serves as a starting point for genuine conversation with the Creator He assures We re not starting the conversation with God from scratch God has already begun it We just need to plug into the conversation that is already going on Questions God Asks Us offers a fresh approach for personal devotions and a unique discussion tool for small group Bible studies It s sure to bless anyone longing for a meaningful growing relationship with God **The Bible-work** James Glentworth Butler,1892 The Truth-Seeking Heart Ann Loades,Robert MacSwain,2006-08-29 Austin Farrer was part of the extraordinary mid 20th century group of Oxford Christians which also included C S Lewis J R R Tolkien Charles Williams and Dorothy Sayers Described as the one genius that the Church of England produced in the last century and author of incomparably the most interesting theological books ever to come out of Oxford his great legacy is that his considerable learning expressed itself as practical spiritual direction He believed that after all the argument analysis and sifting of evidence the purpose of theology was to show how to live and how to love He died in 1968 and his many books are now out of print Here is a thematically arranged anthology of his most influential writings with an extended introduction that assesses his contribution to Anglican life and through today *A golden treasury for the children of God. Translated. with biographical sketch of the author (by J. Kelly).* Carl Heinrich von Bogatzky,1883 The Seeking Heart Ian Mobsby,2025-01-28 In the contemporary church the word mission has become synonymous with pace expansion and results Yet such an approach can often leave those with responsibilities in mission or ministry feeling exhausted and overwhelmed Not only that but mission which focuses on the rapid and the growing fails to recognise the rich resources the more contemplative Christian traditions can offer our post secular society and especially those who would call themselves spiritual but not religious **St. Augustine on the Psalms: Psalms 1-29** Saint Augustine (of Hippo),1960 This volume covers Augustine s notes and commentaries on Psalms 1 through 29 Augustine s theme is the church less as an external institution than as the very focus and center of God and Christ **Draw My Heart After You in the Song of Love** Virginia Helweg,2012-07-20 Readers will take a journey through the Song of Solomon Song of Songs which describes God s heart and His love Written as a devotional author Virginia Helweg uses the poetic metaphors from Solomon s song to teach how God created man and woman in His image and therefore have the capacity within to know Him intimately parallel to the same love in a marriage Helweg explains that the Song is about romantic love but not as man perceives romance It is an example of God s persistence to have a relationship with His creation and a love poem Solomon framed as a song because of a faith in a God of love singing praising and worshiping **God's Touch Among The Amish, Book 1** Aaron Jay Beiler,2012 Aaron had always thought that the Amish religion was the only way for him to get to heaven After a rebellious youth he had submitted to the Amish way by becoming a baptized member and following the Amish rules and traditions But he wondered why he didn t have peace in his heart For six long months he cried out to God for answers Were his sins forgiven What was

missing in his life Was he not following the Amish rules well enough Was God still angry with him because of his sinful teenage years God answered Aaron in a powerfully clear way transforming his life and sustaining him with the peace he was searching for What He s done for me is the first in a series of testimonies titled God s Touch Among the Amish They represent personal journeys through tears and pain stories from sincere hearts that searched earnestly for answers to questions like Aaron s Each of their journeys speak of the faithfulness of God and His love toward those who search for truth and yield their lives fully into His hands

Head and Heart Fraser Watts,Geoff Dumbreck,2013-08-26 Theologians and religious figures often draw a distinction between religion of the head and religion of the heart but few stop to ask what the terms head and heart actually denote Many assume that this distinction has a scriptural basis and yet many Biblical authors used the word heart as a synonym for mind In fact there isn t a strict separation of the two concepts until the modern period as in Pascal s famous claim that the heart has its reasons that reason can not know Since then many other philosophers and theologians have made a similar distinction The fact that this distinction has been so persistent makes it an important area of study Head and Heart Perspectives from Religion and Psychology takes an inter disciplinary approach linking the thinking of theologians and philosophers with theory and research in present day psychology The tradition of using framing questions that have been developed in theology and philosophy can now be brought into dialogue with scientific approaches developed within cognitive psychology and neuroscience Though these scientific approaches have not generally used the terms head and heart they have arrived at a similar distinction in other ways There is a notable convergence upon the realization that humans have two modes of cognition at their disposal that correspond to head and heart The time is therefore ripe to bring the approaches of theology and science in to dialogue an important dialogue that has been heretofore neglected Head and Heart draws on the unique

expertise in relating theology and psychology of the University of Cambridge's Psychology and Religion Research Group PRRG In addition to providing historical and theoretical perspectives the contributors to this volume will also address practical issues arising from the group's applied work in deradicalisation and religious education Contributors include Geoff Dumbreck Nicholas J S Gibson Malcolm Guite Liz Gulliford Russell Re Manning Glendon L Moriarty Sally Myers Sara Savage Carissa A Sharp Fraser Watts Harris Wiseman and Bonnie Poon Zahl **A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: Expositions on the book of Psalms** ,1888 Psalm 125-150 Charles Haddon Spurgeon,1886 *Be Still and Know* Millie Stamm,1981-09 These daily devotional readings from Millie Stamm will encourage you in your Christian life throughout the year **Triumphs of the Heart** Cheryl Ford,2002 The third book in the Women of the Word series Triumphs of the Heart explores the lives of several biblical women and the triumphs they experienced as they opened their hearts to all God had for them Discussion questions are perfect for group use
