## **Louis Malle:**

**Louis Malle** Hugo Frey, 2019-01-11 This is the first monograph on controversial French director Louis Malle to be published in English Hugo Frey introduces Malle's work through a lucid analysis of his many masterpieces including *Le Feu Follet* *Lacombe Lucien* and *Au revoir les enfants* He also traces the director's extended period of work in the USA which resulted in powerful films such as *Pretty Baby* *Atlantic City* USA and *My Dinner with André* The book focuses on the most challenging aspects of Malle's oeuvre his aesthetic vision his youthful attraction to a form of right wing pessimism and his 1970s libertarianism By rethinking Malle's portrayals of Nazi occupied France Frey demonstrates that he is of equal importance to contemporary historians as to film studies This new appraisal is a nuanced study of an important film maker and a critical intervention in the debates which surround Malle's work

**Louis Malle** Christopher Beach, 2022-05-23 A filmmaker whose work exhibits a wide range of styles and approaches Louis Malle 1932-1995 was the only French director of his generation to enjoy a significant career in both France and the United States Although Malle began his career alongside members of the French New Wave like François Truffaut Jean-Luc Godard and Claude Chabrol he never associated himself with that group Malle is perhaps best known for his willingness to take on such difficult or controversial topics as suicide incest child prostitution and collaboration with the Nazis during World War II His filmography includes narrative films like *Zazie dans le Métro* *Murmur of the Heart* *Atlantic City* *My Dinner with André* and *Au revoir les enfants* as well as several major documentaries In the late 1970s Malle moved to the United States where he worked primarily outside of the Hollywood studio system The films of his American period display his keen outsider's eye which allowed him to observe diverse aspects of American life in settings that ranged from turn of the century New Orleans to present day Atlantic City and the Texas Gulf Coast *Louis Malle Interviews* covers the entirety of Malle's career and features seventeen interviews the majority of which are translated into English here for the first time As the collection demonstrates Malle was an extremely intelligent and articulate filmmaker who thought deeply about his own choices as a director the ideological implications of those choices and the often controversial themes treated in his films The interviews address such topics as Malle's approach to casting and directing actors his attitude toward provocative subject matter and censorship his understanding of the relationship between documentary and fiction film and the differences between the film industries in France and the US Malle also discusses his sometimes challenging work with such actors as Brigitte Bardot Pierre Blaise and Brooke Shields and sheds new light on the making of his films

**Malle on Malle** Louis Malle, Philip French, 1996 Malle discusses his career and development as an artist reflected in his direction of films and production of many documentaries He talks about the recurrent themes of his work and the people he has worked with

**The Films of Louis Malle** Nathan Southern, Jacques Weissgerber, 2006 This is a critical study of Malle's life's work It is approached non theoretically on a film by film basis each is examined as an individualistic and self-reverential exploration of its own subjects and themes

**The Cinema of Louis Malle** Philippe

Met,2018-09-11 Arguably a pioneer of the French New Wave with *Ascenseur pour l'chafaud* 1957 Louis Malle went on to enjoy an acclaimed yet provocative and versatile transatlantic career This collection of original essays proposes to reassess his richly eclectic and boldly subversive oeuvre and redress the surprising critical neglect it has suffered over the years It does so through a combination of transversal and monographic analyses that use a variety of critical lenses and theoretical tools in order to examine Malle's documentaries as well as his fiction features and more importantly the constant shuttling and uniquely persistent cross pollination between those two cinematic approaches illuminate the profound lasting dialogue his films entertained with literature and theater bring to the fore their sustained albeit often oblique autobiographical thrust along with their scathing sociopolitical critique and scrutinize the alternating use of stars and non professional actors In addition the volume features an exclusive interview with the acclaimed playwright John Guare a close friend and collaborator of Louis Malle's who scripted *Atlantic City* and is bookended by a foreword by Volker Schlöndorff and an afterword by Wes Anderson two renowned filmmakers who articulate their admiration for and the seminal influence of their predecessor
