**Louis XIV, King of France and Navarre** Cecil Scott Forester,1928      **Louis XIV., King of France and Navarre, Etc. [With Portraits.]** Cecil Scott Forester,1928      **Louis Xiv** C. S. Forester,2013-10 This is a new release of the original 1928 edition      **Louis XIV** Louis XIV.,1975      **The Daniel Wilsons in France, 1819-1919** Michael B. Palmer,2020-11-16 Scottish engineer Daniel Wilson 1790 1849 helped launch the industrial revolution in France and acquired a major art collection His daughter Marguerite 1836 1902 restored the chateau de Chenonceau near the Loire Valley His son Daniel 1840 1919 close to Marguerite became an MP founded a newspaper chain rose to become a leading republican politician and married the daughter of President of the Republic Jules Grévy The younger Daniel Wilson's business activities and news strategies offended many and prompted his involvement in a scandal the sale of the Legion of Honour decoration that led to his downfall and that of President Grévy Wilson's name became and remains synonymous with political corruption This book is the first to examine the nexus of political and press connections in early republican France from his viewpoint The struggle for press freedom since the 1789 Revolution culminating in the 1881 Press Law is assessed by considering the stance of Wilson Grévy and the leading press magnate Emile de Girardin and other press tycoons The flamboyant Marguerite who hosted Gustave Flaubert in Chenonceau and journeyed to India colours the saga      **The Memoirs of François René, Vicomte de Chateaubriand, Sometime Ambassador to England** François-René vicomte de Chateaubriand,Alexander Teixeira de Mattos,1902      **The Second French Republic 1848-1852** Christopher Guyver,2016-06-09 This book follows the story of the Second French Republic from its idealistic beginnings in February 1848 to its formal replacement in December 1852 by the Second Empire Based on original archival research The Second French Republic gives a detailed account of the internal tensions that irrevocably weakened France's shortest republic During this short period French political life was buffeted by strong and often contrary forces universal manhood suffrage fear of socialism the President Louis Napoleon Bonaparte and the political ambitions of the military high command for the restoration of the monarchy      **The Memoirs of Francois Rene** F.A.R. Chateaubriand,1902      **The Constantinian Order of Saint George** Guy Stair Sainty,2018-12-01 According to legend the Constantinian Order is the oldest chivalric institution founded by Emperor Constantine the Great and governed by successive Byzantine Emperors and their descendants While this chronology was supported by multiple writers even into the twentieth century it has little historical basis Nonetheless the Angeli Farnese and Bourbon families which held the Grand Mastership could legitimately claim Byzantine imperial descent albeit in the female line and the Order's cross replicates that seen by Constantine in the vision recorded by both Lactantius and Eusebius writing very soon after Maximian's defeat at the battle of the Milvian Bridge The Order's emergence in the middle of the sixteenth century when Christian Europe was under assault from a militant Ottoman empire gained Papal support almost immediately and by the end of the seventeenth century the Order had members across the Italian peninsular in Spain Bavaria Austria and

Bohemia Croatia and Poland Today the majority of the Order s members are found in Italy and Spain but there are also members in Portugal France Belgium Great Britain and Luxembourg with smaller groups in the Netherlands Germany and Sweden as well as an expanding membership in the United States This work examines the conversion of Constantine and the histories of the Angeli Farnese and Bourbon Grand Masterships with extensive reference to hitherto unpub lished documents in the Vatican archives and in the Farnese and Bourbon archives in Naples These serve to confirm the close relationship the Order had with the Church and the high regard in which it was held by successive Popes as well as its autonomy as a subject of canon law independent from any crown or temporal sovereignty This unique status has enabled its hereditary Grand Masters to maintain this dignity after the absorption of the former Kingdom of the Two Sicilies into a united Italy The Order s autonomy coupled with the Grand Master s close links to the Spanish Crown has meant that Spanish and Italian citizens as well as the citizens of several other states which have accorded the Order recognition may obtain official permission to wear the Order s decorations 2018 is the three hundredth anniversary of the Papal Bull Militantis Ecclesiae which confirmed and approved the previous Papal acts concerning the Order and laid out the rights and privileges of the Order its Grand Masters and members In the early 20th century Pope Saint Pius X and Benedict XV conferred further privileges on the Order approving the statutes while the then future Pope Pius XII had been admitted to the Order in 1913 Today the Order is engaged in works of charity in conformity with the Church s teachings and includes among its members some thirteen Cardinals as well as some thirty members of reign ing or former reigning families
