Lourdes Georges Bertrin,1908 **Lourdes: a History of Its Apparitions and Cures** Georges Bertrin,1908

LOURDES GEORGES. BERTRIN,2018 **Lourdes** G. Bertrin,1973-01-01 **Lourdes** Georges Bertrin,2017-11-26

Excerpt from *Lourdes A History of Its Apparitions and Cures* Few men witness the history of Philosophy have the mental power to find Truth by themselves Fewer still have time and opportunity to do so and yet men crave for Truth as for the very food of their souls In the days of our Saviour men looked and craved for signs for visible and tangible proofs of His Divinity and He gave them what they asked for He gave them His miracles as an irrefragable proof of His Divine Nature and Mission If I do not the works of my Father believe me not but if I do though you will not believe me believe the works Throughout the ages He has set the seal of Divine approval on the teaching of the Catholic Church by miracles and now in these days He offers among others the continual miracles at Lourdes Two thousand years ago nearly men of goodwill saw rejoiced and believed Others doubted disbelieved and denied not the facts no one could deny them but their Divine origin Not to God but to the Devil these men attributed the miracles they witnessed In our own times when Materialism denies the very existence of a Creator and of all supernatural agencies and powers the miracles at Lourdes are either set aside as a priori impossible or if the facts are admitted they are ascribed to suggestion or to the unknown forces of Nature A moment s thought will show that both methods of attack are equally unscientific and futile About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Lourdes* Georges

Bertrin,2014-03 This Is A New Release Of The Original 1908 Edition **Medical Muses** Asti Hustvedt,2012-01-01 In 1862 the Salp tri re Hospital in Paris became the epicenter of the study of hysteria the mysterious illness then thought to affect half of all women There prominent neurologist Jean Martin Charcot s contentious methods caused furore within the church and divided the medical community Treatments included hypnosis piercing and the evocation of demons and despite the controversy they caused the experiments became a fascinating and fashionable public spectacle *Medical Muses* tells the stories of the women institutionalised in the Salp tri re Theirs is a tale of science and ideology medicine and the occult of hypnotism sadism love and theatre Combining hospital records municipal archives memoirs and letters *Medical Muses* sheds new light on a crucial moment in psychiatric history **Approaching Hysteria** Mark S. Micale,2019-01-15 What does this burgeoning corpus of writing tell us Why in recent years has the history of hysterical disorders carried such resonance for commentators in the sciences and humanities What can we learn from the textual traditions of hysteria about writing the

history of disease in general What is the broader cultural meaning of the new hysteria studies In the second half of the book
 Micale discusses the many historical cultures of hysteria He reconstructs in detail the past usages of the hysteria concept as
 a powerful descriptive trope in various nonmedical domains including poetry fiction theater social thought political criticism
 and the arts His book is a pioneering attempt to write the historical phenomenology of disease in an age preoccupied with
 health and a prescriptive remedy for writing histories of disease in the future Lourdes Georges Bertrin,1908 The
