Behen,2013-06-17 Learn how to integrate pop culture and technology into school library programs and classrooms and make today s digital content mobile devices and students changing interests work to the educator s advantage Today s school libraries need to evolve and meet the needs of 21st century students the instruction programming and library services must be relevant to today s learners Additionally the interactions between educators and the students are what make the critical difference in the students learning and turn the library and classroom into places where they will find assimilate experience and understand information This book provides practical strategies for using pop culture and technology trends to connect with easily distracted middle and high school students and hold their attention Author Linda D Behen addresses why school

libraries are in transition and why there is a need for dramatic change She discusses the evolution of all libraries in response to digital content ubiquitous mobile devices such as smart phones iPads and other tablet computers patrons changing interests and the ways in which schools and school libraries have found to effectively adapt to technology changes and student needs This book is essential for middle and high school librarians and educators library school students and instructors and young adult public librarians **Library Journal** ,1999 **Lonely Planet's Wonders of the World** Lonely Planet,2019-10-01 Extraordinary You bet Elusive Not quite From Antarctica and the Amazon to Victoria Falls and the Great Wall of China Lonely Planet reveals 101 spectacular sights and how to see them on any budget Inspiring and practical with expert advice on how and when to visit where to stay and a range of itineraries you ll discover how to visit the world s wonders in a way that suits you This collection includes both natural and human made sights across the world We ve selected locations that represent the best and most extraordinary places to be seen There are sights that most people have heard of the Taj Mahal Angkor Wat and the Great Wall of China But also less famous sights that cannot fail to captivate the entwined tree bridges of Meghalaya in India the intricate Islamic architecture of Naqsh e Jahan in Iran and the massive Buddhist temple of Borobudur in central Java We ve added museums with remarkable collections of wonders too such as the Rijksmuseum in the Netherlands and the Smithsonian Institution in Washington D C The planet s natural wonders are no less awesome giant trees in California cascading lakes in Croatia multi coloured hills in China great waterfalls and natural phenomena like the wave of cherry blossom that sweeps across Japan each spring and the light show of the auroras across the planet s northern and southern extremities The book also explains how you can visit each wonder whatever your budget We ve compiled a guide to each one that recommends the best times to visit how to get there and where to stay and eat however much you want to spend About Lonely Planet Lonely Planet is a leading travel media company and the world s number one travel guidebook brand providing both inspiring and trustworthy information for every kind of traveller since 1973 Over the past four decades we ve printed over 145 million guidebooks and grown a dedicated passionate global community of travellers You ll also find our content online on mobile video and in 14 languages 12 international magazines armchair and lifestyle books ebooks and more Important Notice The digital edition of this book may not contain all of the images found in the physical edition **Condé Nast's Traveler** ,2000 *The Last Leonardo* Ben Lewis,2019-06-25 An epic quest exposes hidden truths about Leonardo da Vinci s Salvator Mundi the recently discovered masterpiece that sold for 450 million and might not be the real thing In 2017 Leonardo da Vinci s small oil painting the Salvator Mundi was sold at auction In the words of its discoverer the image of Christ as savior of the world is the rarest thing on the planet Its 450 million sale price also makes it the world s most expensive painting For two centuries art dealers had searched in vain for the Holy Grail of art history a portrait of Christ as the Salvator Mundi by Leonardo da Vinci Many similar paintings of greatly varying quality had been executed by Leonardo s assistants in the early sixteenth century But where was the original by the master

himself In November 2017 Christie's auction house announced they had it But did they The Last Leonardo tells a thrilling tale of a spellbinding icon invested with the power to make or break the reputations of scholars billionaires kings and sheikhs Ben Lewis takes us to Leonardo's studio in Renaissance Italy to the court of Charles I and the English Civil War to Amsterdam Moscow and New Orleans to the galleries salerooms and restorer's workshop as the painting slowly painstakingly emerged from obscurity The vicissitudes of the highly secretive art market are charted across six centuries It is a twisting tale of geniuses and oligarchs double crossings and disappearances in which we're never quite certain what to believe Above all it is an adventure story about the search for lost treasure and a quest for the truth Praise for The Last Leonardo The story of the world's most expensive painting is narrated with great gusto and formidably researched detail in Ben Lewis's book Lewis's probings of the Salvator's backstory raise questions about its historical status and visibility and these lead in turn to the fundamental question of whether the painting is really an autograph work by Leonardo Charles Nicholl The Guardian As the art historian and critic Ben Lewis shows in his forensically detailed and gripping investigation into the history discovery and sales of the painting establishing the truth is like nailing down jelly Michael Prodger The Sunday Times

Cave Paintings to Picasso Henry M. Sayre, 2004-08-26 From prehistoric paintings to Andy Warhol's works this book pairs full color reproductions of 50 of the world's most celebrated masterpieces with brief kid accessible stories about how they were made who made them and where they fit in the fascinating world of art

A Representation of Nationhood in the Museum Sang-hoon Jang, 2020-01-20 A Representation of Nationhood in the Museum examines how the National Museum of Korea as a national repository of material culture and the state's premier exhibition facility has shaped and been shaped by Korean nationalism Exploring the processes by which the museum has discovered and interpreted material culture using concepts of ethnic nationalism in the historical and political contexts of South Korean society the book analyses how this nationalist interpretation has regulated South Koreans understanding of their material culture Issues considered include cultural and political relations with China Japanese colonial rule cultural imperialism and its legacy the division of Korea since 1945 the Korean War and nation building since liberation in 1945 and domestic political upheavals including military coups in 1961 and in 1979 Demonstrating that authoritarian regimes emphasis on the promotion of national unity drove national museums to establish national identity through material culture Jang argues that international political and diplomatic factors also affect the process of the formation of national identity in a specific political context Concerning itself with issues such as the relationship between politics and identity museums and authoritarian regimes this book should be essential reading for academics researchers and postgraduate students in museum studies nationalism studies Asian studies and history departments
