and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

Let my temptation be a book Which I shall purchase hold and keep  
Whereon when other men shall look They ll wail to know I got it cheap  
And again in *The Bibliomaniac s* Bride nothing breathes better the spirit of the incurable patient than this  
Prose for me when I wished for prose  
Verse when to verse inclined  
Forever bringing sweet repose  
To body heart and mind  
Oh I should bind this priceless prize  
In bindings full and fine  
And keep her where no human eyes  
Should see her charms but mine  
In *Dear Old London* the poet wailed that a splendid  
Horace cheap for cash laughed at his poverty and in *Dibdin s Ghost* he revelled in the delights that await the bibliomaniac in the future state where there is no admission to the women folk who wanting victuals make a fuss if we buy books instead while in *Flail Trask* and *Bisland* is the very essence of bibliomania the unquenchable thirst for possession And yet despite these self accusations bibliophily rather than bibliomania would be the word to characterize his conscientious purpose If he purchased quaint and rare books it was to own them to the full extent inwardly as well as outwardly The mania for books kept him continually buying the love of books supervened to make them a part of himself and his life
