Bové, 2021-01-12 A case for literary critics and other humanists to stop wallowing in their aestheticized helplessness and instead turn to poetry comedy and love Literary criticism is an agent of despair and its poster child is Walter Benjamin Critics have spent decades stewing in his melancholy What if instead we dared to love poetry to choose comedy over Hamlet's tragedy or to pursue romance over Benjamin's suicide on the edge of France of Europe and of civilization itself Paul A Bové challenges young lit critters to throw away their shades and let the sun shine in Love's Shadow is his three step manifesto for a new literary criticism that risks sentimentality and melodrama and eschews self consciousness The first step is to choose poetry There has been since the time of Plato a battle between philosophy and poetry Philosophy has championed misogyny while poetry has championed women like Shakespeare's Rosalind Philosophy is ever so stringent try instead the sober cheerfulness of Wallace Stevens Bové's second step is to choose the essay He praises Benjamin's great friend and sometime antagonist Theodor Adorno who gloried in writing essays not dissertations and treatises The third step is to choose love If you want a Baroque hero make that hero Rembrandt who brought lovers to life in his paintings Putting aside passivity and cynicism would amount to a revolution in literary studies Bové seeks nothing less and he has a program for achieving it

Scheindlin, 2008 Judah Halevi ca. 1075-1141 is the best known and most beloved of medieval Hebrew poets partly because of his passionate poems of longing for the Land of Israel and partly because of the legend of his death as a martyr while reciting his Ode to Zion at the gates of Jerusalem He was also one of the premier theologians of medieval Judaism having written a treatise on the meaning of Judaism that is still studied and venerated by traditional Jews As a member of the wealthy Jewish elite of medieval Spain Halevi enjoyed the material pleasures available to the upper classes Alongside his sacred poetry he wrote verses about youthful romance wine songs and odes to his friends In midlife Halevi turned more seriously to religion eventually abandoning his family and community with hopes of ending his life as a pilgrim in the land of Israel Miraculously a number of letters in Arabic were discovered about fifty years ago some written by Halevi some written to Halevi and yet others written about Halevi by his friends in Egypt These letters preserve a vivid record of Halevi's travels as a pilgrim and of the last months of his life Raymond Scheindlin has written the first book length treatment of Halevi's pilgrimage in any language He

tells the story of Halevi's journey through selections from these revealing sources and explores its meaning through discussions of his stirring poetry presented here in new verse translations with full commentary In Hebrew verse of unparalleled beauty Halevi salutes the Holy Land he argues with friends about his intentions he sets out his fantasy of crossing the ocean of walking the hills and valleys of the Land of Israel and of dying and mingling his bones with its soil and stones He even confides his secret fears and uncertainties his longing for his family and his fear of death at sea With his consummate skill as a translator of Hebrew poetry and his mastery of Judeo Arabic culture Scheindlin provides fresh insights into the literary religious and historical facets of Halevi's captivating poetry and fateful journey

The Plural of Us Bonnie Costello, 2020-06-09 The Plural of Us is the first book to focus on the poet's use of the first person plural voice poetry's we Closely exploring the work of W H Auden Bonnie Costello uncovers the trove of thought and feeling carried in this small word While lyric has long been associated with inwardness and a voice saying I we has hardly been noticed even though it has appeared throughout the history of poetry Reading for this pronoun in its variety and ambiguity Costello explores the communal function of poetry the reasons risks and rewards of the first person plural Costello adopts a taxonomic approach to her subject considering we from its most constricted to its fully unbounded forms She also takes a historical perspective following Auden's interest in the full range of the human pluralities in a time of particular pressure for and against the collective Costello offers new readings as she tracks his changing approach to voice in democracy Examples from many other poets including Walt Whitman T S Eliot Elizabeth Bishop and Wallace Stevens arise throughout the book and the final chapter offers a consideration of how contemporary writers find form for what George Oppen called the meaning of being numerous Connecting insights to philosophy of language and to recent work in concepts of community The Plural of Us shows how poetry raises vital questions literary and

social about how we speak of our togetherness *The Pattern in the Web* Roma Alvah King, 1990 Charles Williams has achieved considerable reputation for his novels He has been recognized as a brilliant theologian and a sensitive literary critic But Williams himself wished most to be remembered as a poet and trusted his future literary reputation to the two volume series of poems on the Arthurian theme *Taliessin Through Logres* and *The Region of the Summer Stars* Of the first volume Williams wrote The matter and the style require and reward attention The poems do not so much tell a story or describe a process as express states or principles of experience The names and incidents of the Arthurian myth are taken as starting points for investigation and statement on common and profound experience In this first full length study of these poems they receive in both matter and style the close attention that Williams requested The emphasis in this study is on the quality of these poems as poetry and only secondarily upon their religious content Although essentially Christian they are placed within the context of the multifaceted many changing forms of recurring myths Thus they represent one of the few attempts in the twentieth century to encapsulate and age old and ever recurring pattern in the web in a brilliant structure that is thoroughly modern English Literature in the Age of Chaucer Dieter Mehl, 2014-06-11 Written in an engaging and accessible manner *English Literature in the Age of Chaucer* serves as both a lucid introduction to Middle English literature for those coming fresh to the study of earlier English writing and as a stimulating examination of the themes traditions and the literary achievement of a number of particularly original and interesting authors In addition to detailed and sensitive treatment of Chaucer's major works the book includes chapters on his chief contemporaries such as John Gower William Langland and the Gawain poet It also examines the often underrated contribution to the English literary tradition of his successors John Lydgate and Thomas Hoccleve as well as the interesting and original work of the Scottish poets Robert Henryson William Dunbar and Gavin Douglas who also claim Chaucer as their model Apart from the narrative poetry of Chaucer and his followers the book also contains chapters on the Middle English lyric Middle English prose including Mandeville's travels the most original and imaginative writings of the Middle English mystics in particular Julian of Norwich and Margery Kempe and Thomas Malory's impressive prose compilation of Arthurian stories
