

The background is an abstract composition of two distinct textures. The upper half is a dense, granular orange-brown, while the lower half is a vibrant teal with a more fluid, painterly texture. A dark, semi-transparent rectangular box is centered horizontally, spanning across both color sections. The text is white and sans-serif, split across two lines within this box. A small, faint white mark is visible on the teal background to the right of the text box.

Love Knows No Bounds Virginia Eriful Sigley, 2017-03-21 Emily a young lady from the Philippines immigrated to America to join her aunt The only asset she had when she left home was her strong faith in God to carry her through the great world she was destined to conquer Through God s grace she found a job in a prestigious firm in Los Angeles She s incredibly brilliant courageous and not intimidated by what s ahead of her These are some of the tools which Emily used to reach her greatest success in becoming the chief quality technical consultant of the Finance Circuit Optimum Company Luke a very handsome and intelligent young man was a general manager of the firm to which Emily reported for duty His success in running his department is due to his never daunting leadership He is greatly admired and respected by the people under his management Because of his good judgment and influence he eventually got promoted to executive vice president of the company There was an instant connection between him and Emily ever since they met Over the years of working together they found strength in one another including lifting each other s spirit when things became grim at work As time went on their friendship developed into a romantic relationship As their love for each other grew deeper they relied more and more on the Lord s guidance Luke s visit to Emily s home in the Philippines and meeting her family became the pivotal point in his quest for happiness and peace Most of all Emily s world may be as far away from Luke s world but the world they live in is totally in God s hands Although there is a disparity between Luke s and Emily s world it really didn t matter to them for their deep love for each other will ultimately prevail because love knows no bounds

Greater Love Has No Man Rita Leonty-Favreau, 2020-10-07 Whenever we seek to manipulate something we do not understand we expose ourselves to unknown dangers Greater Love Has No Man is a characterization of a gross misunderstanding It is an illustration of the catastrophic result of a presumptuous mind which sets about to meddle with things beyond its understanding but which it believes it not only understands but can manipulate When Courtney Willard sets out to

manipulate words from the Bible which he refutes as being the infallible Word of God being also a self proclaimed atheist he has no idea that the end of what he engineers will turn out very different from what he envisioned In the end he would inadvertently prove what he sought to discredit The natural man does not comprehend the things of the Spirit of God for they are foolishness unto him Neither can he know them for they are spiritually discerned Greater Love Has No Man is a poignant journey into a misunderstanding One which along the way is fraught with laughter and tears friendship and enmity despair and the resilience of a love which ultimately restores hope **Love** Zia Oboodiyat,2020-09-02 Book Delisted **The Commandments in the New Testament Gospels** Bea Baldrige,2015-01-30 The Commandments in the New Testament Gospels is about how Christians are supposed to live under Jesus commandments For many years I have noticed many people who are confused about how Christians are supposed to live But are the Ten Commandments in the New Testament And should we follow them We need to question which parts of the Bible are written to us which parts are written for us and which parts are for our moral guidance Most of all we need to go back to the first century and see how the followers of Jesus lived We need to learn the customs at that time the idioms of their speech We need to be aware of what the first century political climate was like in order to understand the New Testament The Book of Hebrews talks a lot about the Order of Melchizedek What is that order This book will explore this along with one core question What is the secret that believers have been missing all these years about what God expects from us Go with me on an exciting journey through the Gospels as we discover who we are in the Messiah and what our Commandments are **Journey Beyond Linear Time** Raphael Jara,2016-11-28 What would it be like to transcend the limitations on planet earth How intriguing would it be to experience life through a higher mind with significantly broader experiences than you ever imagined Journey Beyond Linear Time reveals that heaven is neither up there nor out there somewhere Instead it is right here where we stand The author has walked on this earth in pure spirit multiple times in this incarnation He has seen inside others and recognized their scars their pain and the troubles they bore He has had divine experiences right here on earth which most would consider out of this world And he has been inside the massive and expansive energy field we refer to as God He states that it exists it is substantive and it is where we come from The author of Journey Beyond Linear Time Raphael Jara was born spiritually awake and is now sharing some of his own extraordinary experiences here on earth He takes the reader on a journey through our earthly indulgence in simple mind and opens the pathway for us to realize who we truly are And that realization will bring us to the truth of our existence and the reason for which we take this journey to the denseness of planet earth He states A profound truth is that we are multidimensional beings having a human experience with the ability to transform ourselves from our limiting human capacity into our divine essence with capabilities beyond the imagined And with this higher level of consciousness we can then live our lives through truth and not through the unconsciousness that appeases the simple mind Our capability far transcends our human limitations for we are the expressions of the universal self **Forever Love** Kathy

Brocks,2010-08-09 Forever Love is a collection of poems about different types of love It s about how we make mistakes in choices and how there is always a way out Forever Love is about finding that good thing and staying faithful and how betrayal hurts and goes beyond ourselves Love is kind builds up and is endless with nurture *A Study of the Twelve Apostles* Glenn Cummings,2009 This book will give the reader a better understanding and appreciation for the twelve apostles It is biblically based and includes many scriptural references We learn from this study that God uses ordinary average men to accomplish great things for Him These disciples had their faults and failures their strengths and weaknesses their victories and defeats just like we do They were special men chosen by our Lord Jesus Christ **Love** Larry Cochran,2017-02-12 Love is not a topic that people look at when it comes to war and warfare but it really should be The Christian is commanded to love God and their neighbor but too many have thrown away this weapon in hopes of fighting with the same tools the world uses That is a big mistake when it is not just a weapon Love is an essential proof of salvation and it is the entire journey of the Christian Seeing Is Believing Parveen Smith,2007-11-27 A journey into the mysterious and spiritual world of Angels One woman s account of angelic experiences and the way that it inspired her and changed her life RHAPSODY OF LOVE:Rediscovering Your Inner Harmony Through Love and Meditation 'Layo Obidike,2024-02-29 RHAPSODY OF LOVE Rediscovering Your Inner Harmony Through Love and Meditation Layo Obidike LO Publications Purpose To Love Yulli Bouza,2019-01-28 Sometimes the love created in our minds by society culture or family systems serve no purpose in our relationships This book will challenge the internal and external realities of love formed by society culture and family systems Seeing love with a different perception will change how you will experience love with purpose *The Book of L.
