assemblage works architecture literature cinema and music His arguments concerning these are supported throughout by in depth discussions of specific artworks The book s effect overall is to reorientate aesthetics by showing how art empowers through its revelation of new possibilities of experience The Aesthetics of Self Becoming will appeal to philosophers of art and aesthetics as well as scholars in art history literary studies film studies and music theory who are interested in the book s central concerns *Catalog of Copyright Entries, Third Series* ,1969 *Catalog of Copyright Entries* Library of Congress.
