Love In The Gospels:

Love Is His Meaning Keith Ward, 2017-07-20 Jesus teaching has changed the world Yet his sayings can often seem cryptic and hard to understand In **Love Is His Meaning** Keith Ward explores the various figures of speech and images that Jesus used and finds they are all ways of expressing and evoking the self giving love of God manifested supremely in Jesus life They communicate spiritual truths often not in a literal but in a poetic way They encourage us to take our own moral decisions with sensitivity and care for others They show that God s love will never abandon anyone and that it extends to everyone in the world without exception And they promise a fulfilment of our hopes for a just and peaceable world that surpasses anything we might describe or imagine Putting aside literalist authoritarian legalistic judgemental and divisive presentations of Jesus teachings the author shows that what remains is the gospel of a divine love a love stronger than death and the only power that can and will redeem our disordered world **Love in the Gospel of John** Francis J. SDB

Moloney, 2013-11-19 The command to love is central to the Gospel of John Internationally respected scholar Francis Moloney offers a thorough exploration of this theme focusing not only on Jesus s words but also on his actions Instead of merely telling people that they must love one another Jesus acts to make God s love known and calls all who follow him to do the same This capstone work on John s Gospel uses a narrative approach to delve deeply into a theme at the heart of the Fourth Gospel and the life of the Christian church Uniting rigorous exegesis with theological and pastoral insight it makes a substantive contribution to contemporary Johannine scholarship **'Love Your Enemies'** John Piper, 1979 **Dictionary of Jesus and the Gospels** Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I

Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels Love Like Jesus Kurt Bennett, 2020-02-11 Based on Kurt Bennett s popular ish blog God Running Love Like Jesus begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett s own moral failures affirm he wrote this book for himself as much as for others Love Like Jesus examines a variety of stories examples and research including Specific examples of how Jesus communicated God s love to others How Jesus demonstrated all five of Gary Chapman s love languages and how you can too The story of how Billy Graham extended Christ s extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn t love everyone the same and why you shouldn t either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty Love Like Jesus shows you how to live a life according to God s

definition of success A life of loving God well and loving the people around you well too A life of loving like Jesus **The Love Bible** Roland Olukayode Jegede, 2010-06 God is love and He gave us His best in the person of His son Jesus Christ who purchased our redemption through His death burial and resurrection Knowing God personally and intimately is the key to the abundant life Jesus Christ offers to all believers However intimate knowledge of this wonderful God of love can only be acquired through meditating regularly on scriptures from the Holy Bible Here is a powerful resource to aid you the Love Bible a Bible specially designed to highlight love as the central theme running throughout the scriptures As you grow in His love you can expect to be increasingly released to enjoy the full blessings of redemption to experience victory over the fear and anxiety that plague so many in these last days and to be empowered to share God's love with others Dr Roland Olukayode Jegede was saved in a Billy Graham crusade 50 years ago He is the president and co founder of Families For Christ Ministries of Canada an international non profit organization Formerly a university professor Dr Jegede is a practicing psychiatrist Together with his beloved wife of 45 years and their 5 adult children Dr Jegede is fully committed to sharing God's love with people by leading them to Christ and seeing them discipled Among the priorities of Family For Christ Ministries are strengthening marriages training parents to raise their children to live for Christ and preparing adolescents and young adults to become servant leaders who will demonstrate Christ's love and character wherever they go Families For Christ Ministries can be contacted at www.ffcminternational.org *Jesus and the Shamanic Tradition of Same-Sex Love* Will Roscoe, 2013 Originally published by Suspect Thoughts Press 2004 Updated by the author and re released by Lethe Press 2013 *The Love Commandment of Jesus Christ in the Gospel of Luke and Its Implication in the Indian Context* L. R. Arul Sam, 2008 **Dictionary of Jesus and the Gospels (2nd edn)** J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus's day has advanced in ways that could not have been predicted in Hastings's day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the

chreiai Contemporary concerns of general interest are discussed in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church *Jesus My Love* Henry F. Jacobs Iii,2012-06 **Jesus As I Have Come to Know and to Deeply Love Him** Larry V. Murphy,2014-06-08 This book is very much about The Gospel of Thomas that much too little understood alternative gospel which the early Christian church condemned and banished into virtual obscurity for nearly 2000 years But mostly the book is about Jesus Thomas s gospel acts as our guide as we go through the book delving into what the author feels Jesus is trying to convey to us So much of that is about Awareness Consciousness of God s Kingdom as ever presence NOW the author contends Above all this book is about precisely that which the author wished to convey in the book s title Jesus As I Have Come To Know And To Deeply Love Him The author has come to know a very approachable and human Jesus as well as a courageous spiritual and social rebel who faced up to both Rome s Empire and the Jewish aristocracy without blinking The universal love of Jesus was increasingly experienced by the author as the book progressed deepening the author s own love for Jesus *The Oxford Companion to Christian Thought* Adrian Hastings,Alistair Mason,Hugh S. Pyper,2000-12-21 Embracing the viewpoints of Catholic Protestant or Orthodox thinkers of conservatives liberals radicals and agnostics Christianity today is anything but monolithic or univocal In *The Oxford Companion to Christian Thought* general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought Indeed the 260 contributors who hail from twenty countries represent as wide a range of perspectives as possible Here is a comprehensive and authoritative though not dogmatic overview of the full spectrum of Christian thinking Within its 600 alphabetically arranged entries readers will find lengthy survey articles on the history of Christian thought on national and regional traditions and on various denominations from Anglican to Unitarian There is ample coverage of Eastern thought as well examining the Christian tradition in China Japan India and Africa The contributors examine major theological topics such as resurrection the Eucharist and grace as well as controversial issues such as homosexuality and abortion In addition short entries illuminate symbols such as water and wine and there are many profiles of leading theologians of non Christians who have deeply influenced Christian thinking including Aristotle and Plato and of literary figures such as Dante Milton and Tolstoy Most articles end with a list of suggested readings and the book features a large number of cross references *The Oxford Companion to Christian Thought* is an indispensable guide to one of the central strands of Western culture An essential volume for all Christians it is a thoughtful gift for the holidays *The Love of God* Christopher W. Morgan,2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical

depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series
