Love Is Linda McClung, 2022-10-26 How can one know what love is if they have never experienced true love Is it the gifts John showers on Annie or the many times he tells her of his love Or is it the discipline he uses to keep her in line Annie Taylor can't understand why her father uses her and her mother as a punching bag She leaves college to care for her dying mother and find herself caring for her younger sister with no money and no place to live When a handsome young man says he loves her and wants to take care of her Annie finds the idea attractive until his love turns into a fight for her life Escaping from John's love takes all her wits and courage after finding what real love is in a most unlikely place She discovers that her loving husband will go to any lengths to protect his secret life while putting hers in jeopardy Love at the End of a Gun

Phillip Sinclair Hill, 2019-02-20 True love is what all people desire to their very core It takes many shapes and forms and can be missed at the slightest misstep Fate always plays a role in the direction it wants to drive young hearts whether it be together or apart Luke Weston must deal with fate's evil hand as it drives him far from where he needs to be and away from true love Being a young cowboy on the harsh West Texas landscape can be a most challenging way of life This is especially true if this way of life is not what you desire Luke struggles with what he has been told he must do to help his small family and what his heart believes it really wants A sleek set of forty-five pistols is all that he has to relieve the stress of everyday life on the small ranch His blazing speed is finely tuned each day at his makeshift targets as the days melt into one another There he can imagine his life on the open range and adventures to the faraway mountains of the Rockies He believes that there he can find great riches and a lifestyle that will bring peace of mind The call of many ladies his family needs and the wilds of the rugged mountains pull at his soul as he matures into a handsome young cowboy Many other issues arise as love tries to find him while he tries to find himself Fate takes him to places he doesn't want to be and far from the true love that waits with open arms In the end a strange type of love must try to conquer fate's evil hand a hand that it tries to deal at the table of life in the West Texas badlands *Love is a Four-Legged Word*
