Leadership James Merritt, 2016-04-01 I am a compulsive reader of success inspirational and motivational books They don t get any better than this one Pat Williams senior vice president Orlando Magic Your character who you are determines the leadership influence you have with others In 9 Keys to Successful Leadership James Merritt a respected voice on leadership identifies nine essential traits that make leaders less stressed easier to follow and more influential Among the leadership qualities Merritt identifies are making sure someone sees hears or feels love from you each day letting God s joy shine

through your life being kind to someone daily by word or deed taking every opportunity to be faithful and dependable treating others as more important than yourself 9 Keys to Successful Leadership points the way for you to become the kind of leader who makes a life changing difference for others perhaps even an eternal difference *Love and Organization* Michael Pirson, 2022-06-30 Organizations are not human but they are made up of people Examining the organization functioning growing and developing and moving together as one unit the well being and success of that organization depends on the well being of people that make it up Love in its various forms is the energy that motivates and fuels creativity care innovation progress and well being Traditionally organizational structures have been set up to support compliance and command and control which often discourages love and creates policies against love at the workplace The result has been reduced growth productivity and retention of businesses as well as reduced well being for employees This reduced connectivity between individuals has also at a higher level adversely affected society Without love people are working and performing with reduced energy and at reduced capacity While prior research has been focused on love at the workplace from the viewpoint of psychologists this book explores the impact of love within organizational contexts from various viewpoints including management psychology and philosophy It explores love in the organizational context by looking at how it affects meaning purpose well being motivation faith care spiritual development and how the identity and well being of each person in the organization positively affects retention and the growth and success of that organization It will be of interest to researchers academics and advanced students in the fields of organizational studies leadership and management

Intangibles: The Unexpected Traits of High-Performing Healthcare Leaders Amer Kaissi, 2017-08-08 Winner of the 2019 ACHE James A Hamilton Book of the Year Award As a leader is it possible to be both successful and humble Studies show that today's emerging leaders not only prioritize achievement over humility but also see the two as mutually exclusive Does this signal an existential crisis for healthcare an industry that at its essence is supposed to embody humility and compassion Thankfully no according to *Intangibles: The Unexpected Traits of High Performing Healthcare Leaders* which demonstrates that you can embrace humility and still be excellent at your job The author a healthcare professor executive coach and consultant gleans evidence and insights from researchers executives philosophers and thought leaders *Intangibles* is neither a self help book offering prescriptive answers nor a leadership guru memoir looking back at a lifetime of lessons learned Rather it offers an engaging exploration of evidence based practices from an array of leaders in different settings The book's stories interviews and research findings will appeal to readers of every stripe and career stage from undergraduate students in healthcare administration to early careerists and even seasoned CEOs Part 1 introduces the four intangible leadership traits humility compassion kindness and generosity Part 2 explores each trait in detail and part 3 tackles the traits through the lenses of gender age and self improvement Along the way the book explores many intriguing questions Is humility viewed as weakness Can leaders balance kindness with a strong personality How do men and women

differ in their perceptions of these traits Are there generational differences in how leadership is perceived Can these characteristics be learned In the end Intangibles concludes that high performance in leadership can be achieved when humility is combined with ambition and compassion with strength

International Handbook of Love Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that's what love does It communicates what it offers what can be and pleads for what must be I know you'll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George

Wolfe,2014 Today s best companies get it From retail to finance and industries in between the organizations who recognize that doing good is good business are becoming the ultimate value creators They re changing their culture and generating every form of value that matters emotional experiential social and financial And they re doing it for all their stakeholders Not because it s simply politically correct because it s the only path to long term competitive advantage These are the firms of endearment Companies people love doing business with working for and collaborating with as partners Since the publication of the First Edition the concept of corporate social responsibility has become embraced as a valid important and profitable business model It is a trend that has transformed the workplace and corporate world This Second Edition updates the examples cases and applications from the original edition giving readers insight into how this hallmark of the modern organization is practiced today *Project Management Basics* Melanie McBride,2016-08-12 Learn step by step instructions for managing any project in a clean sequence of five classic phases initiating planning executing releasing and closing This

book sets out clearly and engagingly which tasks need to be done and when how and why they need to be done Each chapter on one of the five phases walks you through all the steps in that phase s workflow which are laid out in a checklist attached to the chapter The checklists are graphically supplemented by flow charts and swim lane diagrams The master checklist serves as a map and tool for project managers to use in the real world to run projects and keep them on track Senior project manager and PM mentor Melanie McBride understands the predicament of beginning and junior project managers You re at the edge of a tornado bombarded by overly excited people offering you a Mission Impossible Everywhere you look there are cool shiny things swirling around your head the earnest coworker telling you to go agile the software package promising a turnkey collaboration solution the PMO with an arm long list of required processes So how do you avoid getting whacked in the head by that airborne Mac truck of a customer commit Oh and what exactly do you need to do to get those flying monkeys to shut up Project Management Basics slips the spinning project manager into the eye of the storm where things are quiet and it s easy to figure out what to do next using the author s detailed checklists and hard headed advice She shows that project management doesn t have to be a chaotic hot mess leaving you with an egg beater hairdo With McBride s book and checklists in hand even first time project managers can pull off controlled flying monkey free projects What You Will Learn See the essential duties of a project manager Master the project management life cycle in five phases Discover the what when how and why of PM tasks presented in detailed steps Leverage checklists for optimum efficiency and throughput Adapt workflow controls to low PM organizations Enhance PM with vogue methodologies without obscuring the basics Who This Book Is For Beginning and junior project managers seeking a concise authoritative guide to the basics of project management together with checklists flow charts and swim lane diagrams for immediate use in real world projects Love in the Time of Self-Publishing Christine M. Larson,2025-09-16 Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In Love in the Time of Self Publishing Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing s most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia s historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers became the only authors in America to make money from the rise of ebooks increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of

relationships can amplify or mute certain voices Romancelandia's experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia's rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members I Love You With All My Heart: Extracurricular - Book 3 of 3 Josie Brown, 2019-10-08 IN THE THIRD AND FINAL NOVEL OF THE EXTRACURRICULAR EPISODIC SERIES A tragic death catalyzes a power play for control of Ashbury Academy's trustee board Daniel's covert actions however have Audrey questioning his vow to protect Lavinia's legacy at the school The arrests resulting in the FBI's investigation into Miranda's college admissions fraud bring tragedy to some of the families involved and unexpected opportunities to others Can Ashbury Academy survive this scandal An even bigger question Will Audrey's marriage and her family fall apart after her long held secret is finally revealed **Love Like that and Other Stories**, 2012 *Across the Board*, 2002 **Leading Talents, Leading Teams** Lee Ellis, 2003 Today virtually every type of organization is looking for ways to maximize and effectively manage their people resources One of the keys to this streamlining is successful teamwork Lee Ellis draws from his survival experience on a team of Vietnam POWs and his management consultant expertise in creating Leading Talents Leading Teams Perfect resource for anyone who desires to gain insights on how to unleash the natural talents of people and blend them into well led effective teams **College Services**, 2002 Shakespeare Would Cry Jack Spurr, 2013-03 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of Love Is the Killer App How to Win Business and Influence Friends Don't say we didn't warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don't buy this book if 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all *PC Mag*, 1999-12-14 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology *Organizational Behavior* Gregory Moorhead, Ricky W.
